

TOOELE VALLEY RURAL PLANNING ORGANIZATION
OCTOBER 2, 2017
1:30 PM – 2:30 PM
DRAFT MEETING SUMMARY

AGENDA ITEM	DISCUSSION	ACTION
1. Approval of 08/14/17 Meeting Summary	Mayor Brent Marshall made a motion to approve the August 14, 2017 meeting summary. Holly Mahoney seconded the motion, and the committee voted unanimously.	Approved
2. Elected Official Input on Draft RPO Plan	<p>Wayne Bennion reviewed the following input from elected officials regarding the draft RPO Plan.</p> <ol style="list-style-type: none"> 1) The Plan should include an alignment for the west end of the SR-201 extension that has received more discussion with local government officials. After a preliminary look at six alignments, UDOT is in the process of conducting a detailed evaluation of two proposed alignments. 2) It may be worthwhile to somehow show road improvements over the Oquirrhs. 3) More bicycle trails may be desirable in Grantsville. 4) Several minor map edits. 5) South Mountain Road improvements should be included. <p>Please contact Wayne Bennion at (801) 363-4230 x1112 for more information.</p>	None Required
3. Midvalley Highway	<p>Oanh Le-Spradlin, the UDOT project manager for Midvalley Highway, reported that the horizontal alignment has been completed and that full design completion is anticipated in fall 2018. A question was asked whether bike lanes were planned and Ms. Le-Spradlin responded that environmental clearance had not as yet been pursued for such lanes. The project team is investigating whether box culverts can be afforded. RPO members requested that the need for box culverts be addressed, including sufficient size (14x20) for farm equipment and animals.</p> <p>Please contact Oanh Le-Spradlin at (801) 975-4819 for more information.</p>	None Required
4. I-80 Bridge Replacement Projects	<p>Kevin Farley, with Michael Baker International, showed drawings of the preliminary design and alignments for upcoming bridge replacement projects at SR-36 and I-80, and the two bridges on I-80 over the railroad just east of where SR-201 comes into Tooele County. Both projects are scheduled to construct between spring and fall of 2018. In addition, both projects are being designed to accommodate the longer term planned widening of I-80 to 3 lanes in each direction. Mr. Farley and the RPO discussed further details of these projects.</p> <p>Please contact Kevin Farley at (801) 352-5975 for more information.</p>	None Required
5. CMAQ Process Status	<p>Brad Palmer, UDOT Region 2 Traffic Operations Engineer, stated that four letters of intent had been received for Tooele Valley CMAQ funds. He also noted that applications will be due November 21 and that he will soon be sending the two forms that comprise the application.</p> <p>Please contact Brad Palmer at (801) 975-4827 for more information.</p>	None Required
6. ITS Concept Report	<p>Tyler Laing, UDOT ITS Program Manager, reviewed some of the locations identified in the concept report evaluating the potential for large scale electronic variable message signs in Tooele Valley. Committee members discussed the pros and cons of various locations, and aspects of incident management.</p> <p>Please contact Tyler Laing at (801) 887-3792 for more information.</p>	

7. Other Business	Chris Siavrakas, UDOT ITS Project Manager, noted that Region 2 is looking at the potential for a small VMS at Johnson Pass, that a new signal is in design for Stansbury Parkway and SR-138, and that the speed limit on SR-138 in that area was recently lowered.	None Required
8. Next Meeting	The next Tooele Valley RPO meeting will be held at 1:30 pm on December 11, 2017 in the Tooele City Hall.	None Required
