This request is to change the limits of the STP funded project on 4700 West from 4200 South - 4800 South to 4000 South - 4600 South and to separate the new construction portion on 4700 West; 4600 South to 4800 South from the reconstruction project 4000 South – 4600 South due to the timing of the available funds the STP funds will pay for the reconstruction portion of the project and funding from Weber County will pay for the new construction portion. 3. Congestion Management Report	Kip Billings of WFRC presented data on highway and transit performance measures related to congestion. VMT continues to increase to about 35,500,000 daily for the WFRC area. VMT per capita is continuing to decline for the last decade or more. Cause of this trend are undetermined but possible reasons include a slower economy, increased internet activity, fuel prices, and more transit options. Transit ridership is still growing to over 150,000 daily with TRAX boardings nearly equaling bus boardings. Peak period seated load factors are about 63% for buses, 89% to standing loads for the Blue and Red TRAX lines, 45% for the Green TRAX line, and 70% for Front Runner.	Information
4. Project Report	Nathan Peterson of UDOT reported on the South Davis I-15 project. The project includes Express Lanes from Farmington to I-215, and 7 structures. The project is on schedule, and various milestones are nearing completion. This is a design/build contract. The project has made use of blue tooth traffic data to manage construction traffic.	Information Only
5. HB362 - Transportation Funding	<p>Muriel Xochimitl of WFRC reported on the HB362 transportation funding bill approved by the Utah Legislature effective January 2016. The bill effectively raises the state gas tax by 5 cents/gallon (\$0.245/gal to \$0.295/gal total) and is indexed to the price of fuel with a maximum increase of 15 cents/gallon (\$0.400/gal total). 70% of the revenues go to UDOT, the other 30% goes to Cities and Counties.</p> <p>The bill also authorizes a local option sales tax increase of 0.25% with 0.15% for</p>	Information Only

	roads and 0.10% for transit if there is a transit provider within the county. The options sales tax is subject to voter approval within each county.
