## Wasatch Regional Coordination Council for Community Transportation (RCC)

### MISSION

*To foster, organize and guide local and regional coordination efforts that directly or indirectly improve access and mobility for seniors, persons with disabilities, persons with low income, and veterans.*

### COORDINATION STRATEGIES

- Sustain coordination councils in Davis, Morgan, Salt Lake, Tooele, and Weber counties.
- Expand Shared Resources Toolkit for coordination projects, sharing resources, and One Call – One Click Center agreements.
- Assist local human service agencies and transportation providers in developing local coordination projects.
- Develop performance standards and measures, Lessons Learned, and Best Practices for locally and regionally developed coordination projects.
- Provide public outreach to consumers and communities and develop marketing materials to inform the general public and stakeholders about transportation programs.
- Sustain the online transportation resource guide for consumers, RCC partners, and the general public.
- Work with community transportation providers, human service agencies, and local governments to identify funding resources.
- Collaborate with taxi services, human service agencies/councils, and local governments to assist low-income individuals with affordable taxi service.
- In collaboration with the transportation disadvantaged, human service agencies, local governments, transportation agencies, and other stakeholders, identify and resolve environmental barriers throughout the region.
- Expand and/or develop volunteer programs to serve the transportation disadvantaged and human service agencies including volunteer driver, escort, travel training, and bus buddy systems.
- Implement One Call – One Click Transportation Center pilot projects to provide transportation options for persons with disabilities, seniors, persons with lower income, and veterans.
