The Wasatch Front Regional Council (WFRC) and Utah Housing and Community Development Division (HCD) will make available application materials to prospective CDBG applicants at the “how-to-apply” workshop. This workshop will provide applicants with CDBG information including: eligibility requirements, program objectives, schedule, and the rating and ranking process. **Attendance at the workshop is mandatory for all prospective applicants.**

The U.S. Department of Housing and Urban Development (HUD) funds this competitive grant program in order to provide funds for housing, community, and economic development activities that principally benefit low to moderate income persons. Grant recipients have benefited from this program through job skills training, housing assistance, job creation, homeless shelter improvements, ADA accessibility, street and sidewalk improvements, slum and blight removal, and building site improvements.

Eligible entities include the jurisdictions within Morgan, Tooele, and Weber Counties, excluding Ogden City which is a HUD entitlement city. Other organizations such as nonprofit organizations, social service providers, and service districts may apply if sponsored by an eligible city or county.
