Weber	WFRC	SR-108	3500 West, Midland Drive to Davis County Line	1.6	Widening	\$46
Weber	WFRC	SR-126	1900 West, Riverdale Road to 5600 South	0.4	Widening	\$4

# Where

# The Purpose and Need

- Reduce roadway congestion on S.R. 108.
- Eliminate the roadway deficiencies associated with a lack of shoulders and turn lanes in order to reduce accident rates on S.R. 108.
- Enhance the opportunities for multi-modal use of S.R. 108 by providing improved bicycle, pedestrian, and transit facilities consistent with local and regional land use and transportation plans.”
