## Tooele City Hall, Conference Room, 90 North Main, Tooele Meeting Minutes

Agenda and Discussion	Action
1. February 12, 2018 Meeting Summary [0:00]	Approved
Motion to approve meeting summary by Larry Bolinder and seconded by Jim Bolser.	
2. Midvalley Highway [1:20]	Information
Oanh LeSpradlin of UDOT reported that the Midvalley Highway project is on	
schedule. Design was completed to 60% in May. Utility issues are in negotiations	
and ROW transfers are proceeding. A team of consultants including Avenue,	
Lochner, Stanley, and RB&G is working on the project. Completion is anticipated by	
Summer 2019.	
3. I-80 Bridge Replacement Projects [9:30]	Information
Melissa Phillips of UDOT/HDR reported that work on the "Blackrock" project has	
started. Initial focus will be on SR-36 access at Lake Point. I-80 bridge work will

communication with the public is needed to divert traffic to SR-201 during the

Summer 2019 which may overlap the Midvalley Highway project by a few months.	
4. Permits on State Routes [19:20]	Information
Brad Palmer of UDOT reminded the Committee that there is no cost for UDOT	
permits. He invited Committee members to coordinate with UDOT for special	
events so they can optimize signals to facilitate traffic flow for those events.
