### **1. Introductions and Consent Agenda**

At 2:07pm, Council Chair Mayor Jeff Silvestrini welcomed the Wasatch Front Regional Council members and guests. Introductions were made around the table for those attending in person, and Andrea Pearson, WFRC, read the names of those attending online.

a. **[00:05:09] ACTION:** Commissioner Jeff Scott made a motion to approve the [Minutes](#) for August 2022 and [Financial Statements](#) for July, August and September 2022 and current Budget/Expenditure Report, seconded by Mayor Mark Shepherd. No discussion, approved unanimously.

### **2. Chair Report [00:05:59]**

Mayor Silvestrini invited two members of this year's Council to say some parting words as they will no longer be on the Council. Commissioner Jeff Scott, Box Elder County, and Commissioner Scott Jenkins, Weber County gave thanks, and spoke about their time with WFRC Council. Mayor Silvestrini let the Council know this will be his last meeting as the chair, but looks forward to continuing to be involved.

a. **[00:11:46] ACTION:** Mayor Silvestrini asked Councilmember Scott Wardle, Tooele County; Commissioner Mike Newton, Morgan County; Mayor Mike Caldwell, Ogden City (Weber Co); Commissioner Jeff Scott, Box Elder County; Mayor Joy Petro, Layton City (Davis Co); to join him serving on the WFRC Nominating Committee. There were no objections.

Mayor Silvestrini asked Andrew Gruber, WFRC, to speak about the two awards given to WFRC this year.

- 2022 Coordination and Partnership award from the National Association of MPOs at their annual conference in Minneapolis. Bert Grandberg, Mikala Jordan, and Julie Bjornstad, were there to accept the award on behalf of WFRC.
- WFRC has been named one of Utah's 100 Companies Championing Women. This award was given by the Governor's Office of Economic Opportunity and the Utah Women and Leadership Project at Utah State University.

b. **[00:17:13]** Mayor Silvestrini turned the time over to Miranda Jones Cox, WFRC, for a [Legislative](#) preview and federal update. Ms. Jones Cox spoke about the Federal Infrastructure Bill that passed about one year ago and the implementation steps. She highlighted some of the programs that WFRC has/is currently/or is planning on applying for under this bill. **[00:23:53]** Ms. Jones Cox turned the time over to Laura Hanson, GOPB, to talk about the State's approach to coordinating the Infrastructure bill with all of the partnerships and programs involved. Ms. Hanson also talked about some of the grant funding that has come to the State of Utah for Transportation and Land Management this year. **[00:34:25]** Andrew Gruber, WFRC Executive Director, talked about the current state and local issues (particularly the local options sales tax for transportation funding) that the counties have the authority to impose for public transit - including timing, uses, and rate. **[00:40:56]** Carlos Braceras, UDOT Executive Director, talked about Governor Cox's announcement regarding Utah's Trail Systems and the idea of creating a regional connection system to increase the utilization of trails. **[00:54:02]** Mayor Jenny Wilson, Salt Lake County, talked about the increase in active transportation projects in Salt Lake County. **[00:58:00]** Senator Wayne Harper talked about the plans for transportation legislation in this coming year, mentioning some of the main issues of focus.

### **3. Public Comment [00:34:11]**

Mayor Silvestrini opened the meeting up for public comments. There were no public comments.

### **4. Regional Growth Committee (RGC) [00:62:53]**

Mayor Dawn Ramsey gave an update on the Regional Transportation Plan (RTP) and encouraged everyone to attend and participate in the workshops in their communities. Mayor Ramsey turned the time over to Jory Johner, WFRC.

a. [00:64:30] Jory Johner, WFRC, talked about the [Wasatch Choice](#) 2023-2050 Regional Transportation Plan update, and where we are at in the planning process, and showed an example of the interactive map that allows for public comments on the 2023-2050 RTP. Mr. Johner gave an update on the Fall Workshops currently taking place, and shared the dates and locations of the ones remaining.

b. [01:12:50] Mayor Dawn Ramsey gave an update on HB462 that was passed earlier this year allowing for technical assistance to develop Station Area Plans. (SAPs) [01:14:56] Mayor Ramsey turned the time over to Megan Townsend, WFRC, to discuss the process to get SAPs reviewed and approved and some of the requirements involved. Ms. Townsend highlighted Farmington City's SAP, which has been put forth for certification. [01:21:03] Ms. Townsend turned the time over to Farmington City Mayor Brett Anderson, who discussed their SAP. Lyle Gibson, Farmington City, talked about the implementation plan for the SAP, and thanked everyone that has been helping with the project. [01:32:51] Megan Townsend notified the Council that, on their meeting on Oct 20, the Regional Growth Committee took action to make a recommendation to the Council to approve this SAP, and turned the time back over to Mayor Dawn Ramsey. [01:34:55] **ACTION:** Mayor Dawn Ramsey made a motion to certify the Farmington FrontRunner Station Area Plan, seconded by Mayor Troy Walker. No discussion, approved unanimously.

#### **5. Transportation Committee (Trans Com) [01:35:39]**

Mayor Mark Shepherd gave an update on the progress for the annual cycle for the programs administered by WFRC, and turned the time over to Ben Wuthrich, WFRC. Mr. Wuthrich gave an overview of the Board Modification request for several projects in the region.

a. [01:47:56] **ACTION:** Mayor Mark Shepherd made a motion to approve the Board Modifications to the 2023-2028 TIP as presented, which was seconded by Commissioner Bob Stevenson. No discussion, approved unanimously.

#### **6. WFRC Budget Committee [01:48:15]**

Mayor Silvestrini moved on to Item 6 on the agenda. Commissioner Bob Stevenson made a motion to move into public hearing, seconded by Mayor Joe Smolka, no discussion, approved unanimously. Andrew Gruber and Marian Florence, both with WFRC, gave an update on the layout of the budget. Mr. Gruber emphasized that WFRC is always open to questions and comments about the budget. There were no questions. [01:51:48] Commissioner Bob Stevenson made a motion to close the public hearing, which was seconded by Mayor Rob Dahle, with no discussion and approved unanimously.

a. [01:52:03] **ACTION:** Commissioner Bob Stevenson made a motion to approve the FY23 WFRC Budget & Unified Planning Work Program (UPWP) Amendments, seconded by Commissioner Jeff Scott. No discussion, approved unanimously.

b. [01:52:32] Commissioner Bob Stevenson continued, letting the Council know that the auditor, Tim Rees, was online to answer questions. Mr. Rees notified the Council that WFRC had another clean audit. There were no questions. [01:53:09] **ACTION:** Commissioner Bob Stevenson made a motion to accept the WFRC Audit Report for FY22, seconded by Mayor Mark Shephard. No discussion, approved unanimously.

#### **7. Reports**

a. [01:53:43] Mayor Troy Walker gave an update on the Active Transportation Committee (ATC), emphasizing the importance of safety for Active Transportation users. Mayor Walker also talked about the steps to become a bicycle friendly community.

b. [01:57:55] Commissioner Gage Froerer gave an update on the Wasatch Front Economic Development District (WFEDD), emphasizing the WFEDD's objectives and focus areas.

c. [02:00:33] Andrew Gruber, WFRC, gave the Executive Director's report. He introduced Jordon Chandler as WFRC's newly hired Office Administrator, and congratulated Christy Dahlberg, WFRC Community and Economic Development Planner, for being with WFRC for five years, highlighting some of her accomplishments.

**8. Other Business and Adjournment [02:02:43]** Mayor Silvestrini noted the 2023 WFRC Meeting Schedule in the packet materials and reminded everyone that the Council and Committee meeting calendar invitations will be sent out in the coming weeks. The next Council meeting will be January 26, 2023. Mayor Silvestrini requested a motion to adjourn. Mayor Mark Shepherd made a motion to adjourn, seconded by Mayor Joe Smolka. No discussion, meeting adjourned at 4:10PM.

The United States Postal Service (USPS) continues to adapt to the global impact of the labor market and supply chain issues. As a result, there could be a change to when you receive mail from Wells Fargo, and when we receive mail from you.

The USPS now advises a delivery time of five business days for First Class mail. Items such as deposit adjustment notices, returned items, lockbox items, and other documents delivered by mail are subject to the new delivery standard.

If you have questions, speak to your banker about what electronic delivery options are available for your account or service.

**DATE:** January 20, 2023  
**AGENDA ITEM:** 2a  
**SUBJECT:** **ACTION:** Appointments to WFRC Council and Committees  
**PREPARED BY:** Andrew Gruber, Executive Director

**BACKGROUND:**

The WFRC Bylaws require that a Chair and Vice Chair be selected by the Council bi-annually at the first regular meeting in odd-numbered years. The Chair and Vice-Chair are elected for two-year terms. At the October 2022 WFRC meeting, WFRC Chair Mayor Jeff Silvestrini appointed a six-member Nominating Committee to propose a slate of officers for consideration at the January 26, 2023 meeting. The Nominating Committee met in December 2022 and will present its recommendations to the Regional Council at the January meeting.

The WFRC Chair makes appointments of WFRC Members to the Regional Growth Committee (RGC), the Transportation Coordinating Committee (Trans Com), the WFRC Budget Committee, the Active Transportation Committee (ATC), and the Joint Policy Advisory Committee (JPAC). Appointments to WFRC and its Committees are also made by the County Councils of Governments (COGs). Updated WFRC and Committee membership lists reflecting any changes will be distributed at the WFRC meeting on January 26.

**RECOMMENDATION:**

The Regional Council will elect a Chair and Vice Chair for the 2023-2024 term and endorse the appointments to WFRC Committees.

Motion to “elect the Council Chair and Vice-Chair, Committee Chairs and Vice-Chairs, appoint committee members, and endorse appointments made by the county councils of governments, as presented.”

**DATE:** January 20, 2023  
**AGENDA ITEM:** 2b  
**SUBJECT:** **ACTION:** Legislative Session Report and Endorse Positions on Legislation  
**PREPARED BY:** Miranda Jones Cox, WFRC Government Affairs Manager

At the Wasatch Front Regional Council (WFRC) meeting, the Council will hear a brief report on the 2023 general legislative session, and endorse positions on legislation.

**BACKGROUND:**

The 2023 General Legislative Session began on Tuesday, January 17 and will continue for 45 days until Friday, March 3.

WFRC members can keep themselves apprised of notable legislation by subscribing to WFRC's [Government Affairs](#) emails which are frequently distributed during the session. Members may also reference WFRC's [bill tracker](#), found on WFRC's website, and/or provide input on these pieces of legislation by attending our weekly policy meetings on Thursday mornings at 8 AM at the Utah State Capitol building.

WFRC's legislative engagement is coordinated on behalf of our communities by Executive Director Andrew Gruber, Government Affairs Manager Miranda Jones Cox, and WFRC's state legislative consultants Rob Jolley, Chris Bleak, and Jodi Hart. On legislative issues, WFRC works in close partnership with local governments directly and through the Utah League of Cities and Towns and Utah Association of Counties, as well as our transportation agency partners at the Utah Department of Transportation and Utah Transit Authority.

**RECOMMENDATION:**

Motion to "endorse WFRC legislative positions."

**DATE:** January 16, 2023  
**AGENDA ITEM:** 4a  
**SUBJECT:** Report on Board Modifications to the 2023-2028 TIP  
**PREPARED BY:** Ben Wuthrich, Transportation Improvement Plan Program Coordinator

**BACKGROUND:**

Since the last meeting of the Wasatch Front Regional Council (WFRC), WFRC received requests to modify the current 2023-2028 TIP. The first modification required action from Trans Com (since WFRC was not meeting) and the Utah Transportation Commission but did not require a new air quality conformity analysis or a 30-day public comment period. Trans Com met on November 3<sup>rd</sup> and the second board modification to the 2023-2028 TIP and its corresponding resolution was reviewed and approved. Later that same month WFRC received an additional request to modify the current 2023-2028 TIP. Due to the urgency of the project, an emergency repair to a pedestrian bridge, Trans Com called a special meeting and the third board modification to the 2023-2028 TIP and its corresponding resolution was reviewed and approved on November 21, 2022. Both approved modifications and corresponding resolutions are attached.

**RECOMMENDATION:**

This item is for information only.

Resolution adopting Amendment Two to the 2023-2028 TIP  
Resolution adopting Amendment Three to the 2023-2028 TIP

RESOLUTION OF THE WASATCH FRONT REGIONAL COUNCIL  
AMENDING THE 2023 - 2028  
TRANSPORTATION IMPROVEMENT PROGRAM

- WHEREAS, the Wasatch Front Regional Council is the officially designated Metropolitan Planning Organization for the Salt Lake/ West Valley and the Ogden/ Layton Urbanized Areas and, as such, has the responsibility for developing a Transportation Improvement Program, and
- WHEREAS, a Transportation Improvement Program is to include all federally funded highway, transit, and active transportation projects scheduled for the next six years, and
- WHEREAS, the Utah Department of Transportation, the State Transportation Commission, the Utah Transit Authority, and the Wasatch Front Regional Council and its local jurisdictions desire to amend the 2023-2028 Transportation Improvement Program (TIP) to include the projects on the attached project description list, and
- WHEREAS, the U.S. Department of Transportation Metropolitan Planning Regulations Paragraph 450.324(a) requires that "the TIP . . . be updated at least every four years, and be approved by the MPO and the Governor," and
- WHEREAS, the Statewide Air Quality Implementation Plan includes traffic control measures for reducing air pollutant emissions for the Salt Lake/ West Valley and the Ogden/ Layton Areas and budgets for mobile source emissions, and
- WHEREAS, the projects included in the proposed Transportation Improvement Program amendment are either included in Phase 1 of the Regional Transportation Plan, are not regionally significant, are included in the 2023-2028 TIP, or are exempt projects that do not need to be reviewed for conformity and consistency with the State Implementation Plan according to 40 CFR Part 93.126 Table 2 Exempt Projects, and
- WHEREAS, the proposed Transportation Improvement Program amendment had a public review and comment opportunity at the Trans Com meeting on November 3, 2022, and all comments were carefully considered,

NOW THEREFORE LET IT BE RESOLVED, that Trans Com as delegated by the Wasatch Front Regional Council

- (1) Approves Amendment Two to the 2023-2028 Transportation Improvement Program as attached,
- (2) Finds that the TIP conforms to and is consistent with the State Implementation Plan for Salt Lake, Davis, western Weber, and southern Box Elder Counties, and
- (3) Finds that the development of the Transportation Improvement Program is based on a currently certified transportation planning process.

Salt Lake	West Valley City	2700 South	17806	Parkway Blvd (2700 South); Mountain View Corridor to 6400 West	Roadway Widening, Including Bike Lanes, Shoulders, Curb, Gutter, and Sidewalk	STP_URB_SL (Surface Transportation Program - Salt Lake (WFRC))	\$11,200,000	\$5,300,000	<b>Additional Funding</b>	\$1,900,000	2023-2024
						Local_GOVT (Local Government Funds)		\$467,800	<b>Additional Funding</b>	\$3,532,200	

In 2018, West Valley City (WVC) applied for \$5,767,800 from the Surface Transportation Program (STP) to reconstruct and widen Parkway Boulevard between Mountain View Corridor (MVC) and 6400 West. The project team has recently completed Plan-in-Hand (PIH) and is currently preparing the Plans, Specifications, & Estimate (PS&E) package. The PIH estimate came in at \$11,200,000, approximately \$5.4 million above the current programmed amount. Some of the major differences between the 2018 Concept Report and the PIH estimate include the following: • An additional \$1.2M in right-of-way, • An additional \$750K in design/construction engineering services, • An additional \$2.2M in Roadway and Drainage Items, • \$600K in Mobilization, • \$400K in Traffic Control, • \$600K in Drainage Pipe/Structures. West Valley is requesting an additional \$1,900,000 in Urban Surface Transportation Program Funds and will provide the remaining \$3,532,200 from various Local funding sources.

Salt Lake	UDOT	I-80	18271	I-80; MP 50 to 60	Pavement Preservation High Volume	NHPP_IM (National Highway Performance Program - Interstate Maintenance)	\$10,360,000	\$8,000,000	<b>Additional Funding</b>	\$2,300,000	2022
						STP_FLX_ST (Surface Transportation Program - Flexible (Any Area) Statewide)		\$60,000			

The scope of the I-80; MP 50 to 60 project is to remove the top 1.5” of existing asphalt and replace it with 1.5” of Stone Matrix Asphalt (SMA). An updated project estimate was recently completed using unit pricing from recent bids of similar scope. This updated estimate showed a need to increase the cost for several bid items including mobilization, SMA, and rotomilling. This project is scheduled to advertise in November 2022. The additional funds would come from the High Volume Pavement Preservation Program.

						Local_GOVT (Local Government Funds)		\$181,099		New Amount \$ 312,041	

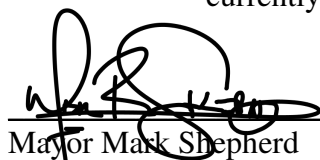

The Weber River Parkway Trail will pave the surface and improve the alignment of the trail for a more safe path. One of the hurdles with completing this section of trail has been a US-89 crossing. Phase III of the trail will complete the section between Cottonwood Drive to the US-89 Crossing, a section of trail roughly 0.417 miles in length. Since the project was reviewed and approved, efforts by the City have secured additional funding and are currently improving Phase III of the trail. South Weber requests that the funding for Phase III be moved to Phase IV of the Weber River Parkway Trailhead Connection, which would connect the north side of I-84 and west of Weber River Crossing (approximately 0.625 miles).

RESOLUTION OF THE WASATCH FRONT REGIONAL COUNCIL  
AMENDING THE 2023 - 2028  
TRANSPORTATION IMPROVEMENT PROGRAM

- WHEREAS, the Wasatch Front Regional Council is the officially designated Metropolitan Planning Organization for the Salt Lake/ West Valley and the Ogden/ Layton Urbanized Areas and, as such, has the responsibility for developing a Transportation Improvement Program, and
- WHEREAS, a Transportation Improvement Program is to include all federally funded highway, transit, and active transportation projects scheduled for the next six years, and
- WHEREAS, the Utah Department of Transportation, the State Transportation Commission, the Utah Transit Authority, and the Wasatch Front Regional Council and its local jurisdictions desire to amend the 2023-2028 Transportation Improvement Program (TIP) to include the projects on the attached project description list, and
- WHEREAS, the U.S. Department of Transportation Metropolitan Planning Regulations Paragraph 450.324(a) requires that “the TIP . . . be updated at least every four years, and be approved by the MPO and the Governor,” and
- WHEREAS, the Statewide Air Quality Implementation Plan includes traffic control measures for reducing air pollutant emissions for the Salt Lake/ West Valley and the Ogden/ Layton Areas and budgets for mobile source emissions, and
- WHEREAS, the projects included in the proposed Transportation Improvement Program amendment are either included in Phase 1 of the Regional Transportation Plan, are not regionally significant, are included in the 2023-2028 TIP, or are exempt projects that do not need to be reviewed for conformity and consistency with the State Implementation Plan according to 40 CFR Part 93.126 Table 2 Exempt Projects, and
- WHEREAS, the proposed Transportation Improvement Program amendment had a public review and comment opportunity at the Trans Com meeting on November 21, 2022, and all comments were carefully considered,

NOW THEREFORE LET IT BE RESOLVED, that Trans Com as delegated by the Wasatch Front Regional Council

- (1) Approves Amendment Three to the 2023-2028 Transportation Improvement Program as attached,
- (2) Finds that the TIP conforms to and is consistent with the State Implementation Plan for Salt Lake, Davis, western Weber, and southern Box Elder Counties, and
- (3) Finds that the development of the Transportation Improvement Program is based on a currently certified transportation planning process.

The scope of this project is to fix the girder on a pedestrian bridge that crosses I-215 and Wasatch Blvd near 4300 South. The bridge was struck by a vehicle traveling northbound on Wasatch Blvd. The impact caused horizontal deflection in one of the girders along with a crack in the bottom flange and lower portion of the flange. An emergency temporary support has been installed but a permanent repair is necessary. The requested funds would remove the temporary supports and fix the damaged section of the girder through heat straightening and welds. The additional funds are available through the Region Two - Transportation Solutions Program (R2-TSP).

**SUBJECT:** **ACTION:** Board Modifications to the 2023-2028 TIP  
**PREPARED BY:** Ben Wuthrich, Transportation Improvement Plan Project Coordinator

**BACKGROUND:**

The Wasatch Front Regional Council (WFRC) has received requests to modify the current 2023-2028 Transportation Improvement Program (TIP) with the attached list of projects. This modification requires action from the Regional Council and the Transportation Commission but does not require an air quality conformity analysis or 30-day public comment period. The requested modification is listed with the attached resolution.

**RECOMMENDATIONS:**

WFRC staff recommends that the Regional Council make a motion “to approve the attached resolution to modify the 2023-2028 TIP as requested.”

## 2023-2028 Transportation Improvement Program (TIP) (Amendment Four)

### Board Modification

#### Additional Funding

#### Ogden/ Layton Urban Area

County	Sponsor	Facility	PIN	Project Location	Concept/ Type of Improvement	Funding Source	Project Estimated Cost	Currently Funded Amount	Action	Funding Amount	Year
Davis	UDOT	I-15	15684	I-15; Shepard Lane Interchange & Ped Overpass	Project will Construct a New Interchange on I-15 & Pedestrian Overpass	ST_TIF (State - Transportation Investment Funds)	\$129,478,894	\$114,478,894	<i>New Funding</i>	<b>\$15,000,000</b>	2023-2028

The Shepard Lane interchange project is to construct a new interchange on I-15 and also includes a series of structures to provide a pedestrian overpass at the Park Lane Interchange. This project was originally funded in 2017 and funding was added in 2021 when the Shepard Lane interchange type was determined and the Park Lane pedestrian structures were added to the project. With inflationary price increases across the board and especially in right-of-way and construction costs it has become necessary to add funds to this project. A detailed Engineers Estimate has been prepared and reviewed prior to this request.

Weber	UDOT	I-15	20008	I-15 in the Riverdale Area	Replace Obsolete Barrfier & Crash Cushions on I-15 in the Riverdale Area	STP_FLX_ST (Surface Transportation Program - Flexible - Statewide)	\$1,300,000	\$850,000	<i>Additional Funding</i>	<b>\$450,000</b>	2023
-------	------	------	-------	----------------------------	--	--	-------------	-----------	---------------------------	------------------	------

This project will replace obsolete barriers on I-15 in the Riverdale area. During design it was identified that the shoulders where barrier was being placed needed to be fixed. Also the structures group has identified the need to column wrap the C457 structure and has asked that we include this work in this project. The bridge columns wrap needs to be completed prior to the installation of the 54 inch cast-in-place barrier, so it makes sense to add this work to this project. The structures group has committed \$150,000 to this project.

Davis	UDOT	SR-108	15680	2000 West (SR-108); 300 North to 1800 North	Project will Widen and Reconstruct	ST_TIF (State - Transportation Investment Funds)	\$71,000,000	\$60,000,000	<i>Additional Funding</i>	<b>\$11,000,000</b>	2023
-------	------	--------	-------	---	------------------------------------	---	--------------	--------------	---------------------------	---------------------	------

The SR-108 (2000 West) project will reconstruct and widen SR-108 from 300 North to 1800 North. This project was originally programmed in 2017. During the development of the Engineer's Estimate, it was determined that with the inflationary prices increases across the board and especially in right-of-way and construction costs, it would be necessary to request additional funds for this project.

Davis/ Weber	UDOT	I-84	18232	I-84 from I-15 to SR-26	High Volume Roads Pavement Preservation Treatment	NHPP_NHS (National Highway Performance Program - National Highway System)	\$1,450,000	\$750,000	<i>Additional Funding</i>	<b>\$700,000</b>	2023
-----------------	------	------	-------	-------------------------	---	---	-------------	-----------	---------------------------	------------------	------

The project scope of PIN 18232 is to place a Bonded Wearing Course on the ramps between I-15 and I-84. This will increase the skid-resistance and provide a pavement preservation treatment on these segments. During a site visit it was identified that the top two inches of hot mix asphalt (HMA) needed to be milled off and replaced prior to the placement of the Bonded Wearing Course. The funding addition covers this additional work and also addresses the inflation related cost increases in HMA prices.

						L_Betterment (Local Betterment Funds)		\$391,189			
						ST_RET_ROW (State Funds Retained from Right of Way)		\$514,673			

The scope of the SR-68; 6200 South to I-215 project is to:

- Add an additional northbound lane on Redwood Road from 6200 South to I-215,
- Add dual lanes to the eastbound and westbound on-ramps to I-215,
- Construct a northbound displaced left turn continuous flow intersection (CFI)

Recently, bids were opened with the low bid coming in 20% over the Engineer's Estimate. The main items that came in high included Roadway Excavation, various drainage items, and various concrete items. The additional funds would come from the Region Two Transportation Solutions Funds.

**DATE:** January 19, 2023  
**AGENDA ITEM:** 5a  
**SUBJECT:** Wasatch Choice and the 2023-2050 Regional Transportation Plan  
**PREPARED BY:** Jory Johner, Long Range Planning Director

At the January 26th Wasatch Front Regional Council (WFRC) meeting, WFRC staff will provide an update on the development of the Regional Transportation Plan (RTP) — the [Wasatch Choice Vision](#) transportation element. This discussion will include two parts:

- a. 2023 adoption year: what to expect, and
- b. ACTION: Release of DRAFT 2023-2050 Regional Transportation Plan for public comment.

## BACKGROUND:

The [Wasatch Choice Vision](#) is our shared framework to prepare our communities and Region to address the challenges of growth, prepare for uncertainties of the future, and preserve and enhance quality of life for generations to come. The Wasatch Choice Vision coordinates regional transportation planning with local land use and economic development efforts. The regional transportation element of the Wasatch Choice Vision is the officially adopted RTP. The RTP is adopted every four years – the next RTP will be adopted in May 2023 and will address transportation needs through the year 2050.

### 2023 adoption year: what to expect RTP Development Timeline

The final step in developing the RTP is to apply fiscal constraints to the Plan. Over the last year, WFRC staff has worked with UDOT, UTA, and both the RGC and TransCom Technical Advisory Committees (TACs) to identify when projects are needed between now and 2050 (in three temporal phases of approximately 10 years each), and also identify when revenues are projected to be available, and then to constrain the Plan based on the anticipated availability of funding.

The draft 2023-2050 RTP phased, fiscally constrained roadway, transit, and active transportation projects were reviewed by elected officials and staff at eight sub-regional Wasatch Choice Transportation Workshops across the Wasatch Front. We also shared information and met with key stakeholders including: transportation, land use, environmental, and community groups; universities and community colleges; landholding and industry groups; chambers of commerce and local businesses; and resource agencies.

The draft RTP provides a balance of transportation choices. The improvements and policies in the RTP strive to advance outcomes that relate to the Wasatch Choice goals such as better mobility, safety, and access to more opportunities. These benefits will be relayed in the Council meeting. The table below provides a high-level overview of each travel mode in the draft 2023-2050 RTP, and an interactive map will be available to view specific project details.

## 2023-2050 RTP Projects and Cost

	Projects	Length (miles)	2023 Cost
Active Transportation	774	1,211	\$1,358,000,000
Roadway	459	967	\$23,180,000,000
Transit	89	422	\$8,817,000,000
Total	1,322	2,600	\$33,355,000,000

Next steps for the 2023-2050 Regional Transportation Plan include:

- Finalize documentation of the planning process,
- Complete the Draft Air Quality Conformity Memorandum #41,
- With approval, open Public Comment Period,
- Review and address comments with local communities and transportation partners,
- Finalize the RTP website and document for final approval by WFRC in May, and
- Develop the 2023-2050 Utah's Unified Transportation Plan with UDOT, UTA, and the three other MPOs by the fall of 2023.

### **ACTION: Release of DRAFT 2023-2050 Regional Transportation Plan for public comment**

WFRC needs to hold a Public Comment Period for the draft 2023-2050 Regional Transportation Plan and the draft Air Quality Memorandum #41, with the dates proposed being from January 27, 2023 to February 26, 2023. During this time, comments will be taken on the [draft 2023 RTP interactive map](#) and utilizing a Google Form for comments made to the draft Air Conformity Memorandum #41 and the draft 2023-2050 RTP document.

At the January 19, 2023 Regional Growth Committee meeting, the RGC approved a motion to recommend that the Wasatch Front Regional Council release the draft phased and financially constrained 2023-2050 Regional Transportation Plan and draft Air Quality Memorandum #41 for public comment from January 27, 2023 to February 26, 2023.

### **RECOMMENDATION:**

The Regional Growth Committee and WFRC staff recommends that the Regional Council approve a motion: *"I move that we release the draft phased and financially constrained 2023-2050 Regional Transportation Plan and draft Air Quality Memorandum #41 for public comment from January 27, 2023 to February 26, 2023."*

**DATE:** January 19, 2023  
**AGENDA ITEM:** 5b  
**SUBJECT:** **ACTION: Station Area Planning**  
**PREPARED BY:** Meg Townsend, Community and Economic Development Director

At the January 19th Regional Growth Committee (RGC) meeting, WFRC staff presented Salt Lake City's Ballpark Station Area Plan (SAP) certification request, in accordance with the Station Area Planning component of HB462 (2022). The RGC moved to recommend the Ballpark SAP for certification by the WFRC.

**BACKGROUND:**

[HB462](#), passed in 2022, requires cities with fixed-guideway transit stations to develop a Station Area Plan for the area around the station, within ½ mile for rail and ¼ mile of bus rapid transit. [Station Area Plans](#) (SAPs) are intended to promote housing availability and affordability, access to opportunities, sustainable environmental conditions, and transportation choices and connections. The SAP requirements are consistent with communities' identification of [Wasatch Choice Vision](#) centers.

WFRC staff has been assisting communities in their implementation of the station area plan provisions of HB462, in partnership with UTA, the Governor's Office of Economic Opportunity, and the Mountainland Association of Governments (MAG), in part by providing technical assistance for SAP development. At the WFRC Council meeting, WFRC staff will provide an update on Station Area Planning to date, and discuss the Salt Lake City Ballpark SAP that has been submitted to WFRC for certification, pursuant to HB462.

**STATION AREA PLAN CERTIFICATION – SALT LAKE CITY'S BALLPARK AREA:**

HB462 establishes that the Metropolitan Planning Organizations (MPOs – WFRC and MAG) have the responsibility to review and, in consultation with UTA, certify each SAP for compliance with statutory requirements. In May, WFRC adopted a [policy for the certification review](#) of SAPs.

Salt Lake City submitted a SAP for the Ballpark Trax Station (1300 South) for certification. In accordance with our policy, WFRC staff has reviewed the City's submission to assess its satisfaction of the requirements of the statute, and made a [positive recommendation for certification](#) to the Regional Growth Committee. The RGC moved to recommend the Ballpark SAP for certification by the WFRC. All of the documentation related to the Ballpark Station Area Plan are included within, including:

1. Ballpark Station Area Plan Submission Package including the following:
  - a. Completed Certification Form
  - b. Ballpark Station Area Plan
2. Salt Lake City's Ballpark SAP Certification Resolution
3. Staff Findings Checklist

Salt Lake City noted that the Ballpark SAP covers an area much broader than just the Ballpark itself, and is therefore relevant and important despite the recently announced move of the Bees baseball team.

**RECOMMENDED MOTION:**

The Regional Growth Committee and WFRC Staff recommend that the Council adopt a "motion to certify the Salt Lake City Ballpark Station Area Plan."

RESOLUTION OF THE  
WASATCH FRONT REGIONAL COUNCIL CERTIFYING THAT THE  
BALLPARK STATION AREA PLAN  
IS IN COMPLIANCE WITH APPLICABLE STATUTORY REQUIREMENTS

WHEREAS, State statute, pursuant to HB462, requires that cities with “fixed guideway public transit” are required to plan ½ mile radius around a rail (FrontRunner, Trax, Streetcar) station, and ¼ mile radius around a bus rapid transit (which uses a separate right-of-way) station, including all of the components within the statute, and

WHEREAS, the statute allows for cities to adopt resolutions describing impracticabilities in fulfilling required components or demonstrating that prior actions satisfy required components, and

WHEREAS, the Metropolitan Planning Organization is responsible for reviewing and certifying that the Station Area Plan requirements have been fulfilled, in consultation with the Utah Transit Authority (UTA), and

WHEREAS, the Wasatch Front Regional Council (WFRC) is the officially designated Metropolitan Planning Organization for the Salt Lake/ West Valley and the Ogden/ Layton Urbanized Areas, and

WHEREAS, WFRC adopted a policy regarding its procedures and standards for the review of Station Area Plans on May 26, 2022, and

WHEREAS, Salt Lake City submitted to WFRC their Ballpark Station Area Plan with all of the required components on October 28th, 2022, and

WHEREAS, consistent with WFRC’s policy, WFRC has reviewed the Station Area Plan components submitted by Salt Lake City, in consultation with UTA, and

WHEREAS, the Ballpark Station Area Plan contains the required components, and/or statement of impracticability, and

WHEREAS, the Station Area Plan promotes the objectives identified in statute, including increasing the availability and affordability of housing, including moderate income housing; promoting sustainable environmental conditions; enhancing access to opportunities; and increasing transportation choices and connections, and

WHEREAS, the Regional Growth Committee determined that the requirements established by statute have been satisfied and has made a positive recommendation to the Wasatch Front Regional Council.

NOW THEREFORE LET IT BE RESOLVED, that the Wasatch Front Regional Council,

1. Certifies the Ballpark Station Area Plan to be in compliance with the applicable provisions of statute.
2. A copy of this certification resolution shall be provided to Salt Lake City.

**DATE:** January 20, 2023  
**AGENDA ITEM:** 6a  
**SUBJECT:** **ACTION:** Approve adjustments to WFRC Administrative and Accounting Policy  
**PREPARED BY:** Marian Florence, Chief Financial Officer

**BACKGROUND:**

In August 2020, when WFRC last updated its Administrative and Accounting Policy, we provided that we would periodically review our policies to ensure that they reflect current best practices and any updates in State or Federal fiscal guidance. As a result of updates to some applicable guidelines and some post-pandemic changes to WFRC processes, staff reviewed WFRC's existing Administrative and Accounting Policy and procedures, and recommends updating the Policy.

As part of the review, staff requested input and received guidance from the Utah State Auditor's Office, Federal Highway Administration, and our external auditor. For instance, recent legislation amended state procurement code related to the procurement of professional services, which we have included in WFRC practice and in this updated Policy. WFRC has also made the following updates to its financial processes which should be reflected in our Policy:

- An Accounting Specialist has joined the WFRC staff, providing increased internal control and capacity.
- WFRC has upgraded its accounting software to a system specifically designed for municipalities and local governments.
- Payroll is now processed in house, not by a third party.
- Payments are made by ACH, not by physical check.

Therefore, we propose updating the WFRC Administrative and Accounting Policy to include:

- A statement of purpose and list of laws and regulations followed at WFRC.
- Language to meet requirements in the new Fraud Risk Assessment (adopted in 2020): Fraud Hotline, Ethical Behavior, Conflict of Interest, IT/Computer Security, and Travel Policy. All these policies are in place, but are not explicitly included in the current Policy. New language is based on the Utah Administrative Code and model policy templates.
- Language from Money Management Council (a division of the Utah State Treasurer's Office to whom we have been reporting our publicly held funds twice a year as required) clarifying deposit and loan account signatory requirements.
- Language clarifying the role of the Budget/Audit Committee in ensuring internal auditing at WFRC and the role of staff in assessing and monitoring internal controls.
- Language to state that WFRC is using GASB accounting standards (it is best practice to include this in policy) and define financial reporting terms used at WFRC. These sections will facilitate the work of our external auditors, and meet state requirements. Terms defined include measurability of revenues, journal entries, liabilities and accrued liabilities, debt.
- An updated capitalization threshold (\$5,000). This is the State-recommended threshold for accounting for the depreciation of items, and affects our budget and reporting requirements by removing the requirement to depreciate items with a purchase price under \$5000. WFRC does not typically purchase supplies over this threshold, so the depreciation line on the WFRC budget will subsequently be adjusted or deleted. This update was also recommended by our auditor.

- Language further defining:
  - insurance coverage requirements
  - the schedule and scope of the external audit
  - financial reporting requirements to the WFRC Council
  - procurement policy to reflect updated language regarding professional services
  - investment practices as defined by the office of the State Auditor
  - program accounting
  - commitment to segregation of duties and internal controls
  - records retention as defined by the office of the State Auditor

Several sections of the Policy were retained from the existing WFRC Accounting and Administrative Policy with no substantive updates, including:

- Designation of Treasurer and Clerk
- Ethics
- Budgeting
- Accounts Receivable
- Use of Purchasing Cards
- Cost Allocation and Travel Policy
- Personnel

All components addressed in the existing Policy have been incorporated into the proposed updated Policy with updated language.

**RECOMMENDATION:**

The WFRC Budget Committee and staff recommend that the Council approve a motion “to adopt the amended WFRC Administrative and Accounting Policy.”

## **1. DESIGNATION OF THE TREASURER AND CLERK**

In compliance with Utah Code 17B-1-633 (1) and Utah Code 17B-1-631 (1) the Wasatch Front Regional Council/Wasatch Front Economic Development District (WFRC) designates the Budget Committee Chair as its Treasurer and the Council's Chief Financial Officer as its Clerk.

The duties of the Treasurer include:

- Sign checks after determining that sufficient funds are available.
- Maintain custody of all money
- Deposit and invest all money in accordance with the Utah State Money Management Act
- Receive all public funds and money payable to the Council.
- Keep an accurate, detailed account of all money received.
- Issue a receipt for money received.

In accordance with Utah State code 51-7-15, Money Management Administration, WFRC provides crime insurance for its Treasurer in an amount to satisfy the state requirement.

The duties of the Clerk include:

- Attend meetings and keep a record of the proceedings
- Maintain financial records
- Prepare checks after determining that the claim:
  - o Was authorized by the board or financial officer
  - o Does not over expend the budget
- Present a financial report to the board at least quarterly

The Treasurer and the Clerk may make appropriate delegations of duties as long as the principle of separation of duties is maintained AND the Treasurer and Clerk retain overall responsibility AND provide adequate oversight of the designated responsibilities

## **2. ETHICS**

WFRC Council members and staff are subject to the Utah Public Officers' and Employees' Ethics Act (Title 67, Chapter 16). This Act prohibits: improper disclosure of private; protected or controlled information; use of official position to secure special compensation, gifts or privileges; engage in activities that would impair independent or good judgement; engage in any activity which is, or appears to be, in conflict with public duties; failure to comply with public disclosure or transparency and; destruction of public records and information.

## **3. BUDGET COMMITTEE SERVES AS AUDIT COMMITTEE**

The WFRC Budget Committee shall function as the WFRC Audit Committee. The Committee members collectively should possess the knowledge in accounting, auditing, and financial reporting needed to understand and evaluate WFRC's financial statements, the external audit, and WFRC's internal audit activities. Accordingly, the Committee's members, collectively, should:

- 1) Possess the requisite knowledge necessary to understand technical and complex financial reporting issues.
- 2) Have the ability to communicate with auditors, public finance officers and the governing body.
- 3) Be knowledgeable about internal controls, financial statement audits and management/operational audits. If no Committee members have sufficient personal internal control or finance knowledge, the Committee may gain this knowledge via a financial expert (either volunteer or paid) advisor. The financial expert advisor will
  - a. Be independent of management
  - b. Be present for meetings
  - c. Not be a member of the Committee
  - d. Not vote on Committee actions

### **Duties and responsibilities**

- 1) External Audit Focus
  - a. Provide recommendations regarding the selection of the external auditor.
  - b. Meet with the external auditor prior to commencement of the audit to, among other things, review the engagement letter.
  - c. Review and discuss with the external auditor any risk assessment of the WFRC's fiscal operations developed as part of the auditor's responsibilities under governmental auditing standards for a financial statement audit and federal single audit standards, if applicable.
  - d. Receive and review the draft annual audit report and accompanying draft management letter, including the external auditor's assessment of the entity's system of internal controls, and, working directly with the external auditor, assist the governing body in interpreting such documents.
  - e. Make a recommendation to the governing body on accepting the annual audit report.
  - f. Review every corrective action plan developed by Council management and assist the governing body in the implementation of such plans.
- 2) Internal Audit Focus
  - a. Assist in the oversight of the internal audit function, to ensure that high risk areas and key control activities are periodically evaluated and tested.
  - b. Review significant recommendations, findings, and results of internal audit activities.
  - c. Monitor implementation of recommendations.
- 3) Administrative Matters
  - a. Hold regularly scheduled meetings.
  - b. Review and propose revisions to these Accounting and Administrative Policies and Procedures, as necessary.

### **Membership**

The membership duties of the WFRC Audit Committee include the following:

- 1) Good Faith – Members of the Committee shall perform their duties in good faith, in a manner they reasonably believe to be in the best interests of the Committee and WFRC with such care as a generally prudent person in a similar position would use under similar circumstances.
- 2) Independence – An individual may not serve on an audit committee if he or she:
  - a. Is employed by WFRC (other than governing board members).
  - b. Currently provides, or within the prior two years, has provided, goods or services to WFRC.
  - c. Is a family member of an employee or officer.
  - d. Is the owner of or has a direct and material interest in a company providing goods or services to WFRC.
- 3) Confidentiality – During the exercise of duties and responsibilities, the Committee members may have access to confidential information. The Committee shall have an obligation to WFRC to maintain the confidentiality of such information.

### **Meetings and Notification**

The WFRC Audit Committee shall meet a minimum of three times each year. An agenda of each meeting should be clearly determined in advance and the Audit Committee should receive supporting documents in advance, for reasonable review and consideration. Minutes of the meeting shall be kept and posted as required.

### **Reporting Requirements**

The WFRC Audit Committee has the duty and responsibility to report its activities to the Council as needed, but not less than annually. The Committee shall cause to be developed and made publicly available minutes or a summary of minutes of meetings which clearly record the actions and recommendations of the Committee. The Audit Committee shall report on matters that it deems significant, which may include but are not limited to:

- 1) The scope and breadth of Committee activities so that the Council is kept informed of its work.
- 2) Review of the WFRC's draft annual audit report and accompanying management letter and their review of significant findings.
- 3) Suspected fraud, waste or abuse, or significant internal control findings and activities of the internal control function.
- 4) Indications of material or significant non-compliances with laws or WFRC policies and regulations.

## **4. BUDGET**

WFRC receives its revenues from member contributions and various granting agencies that contract with WFRC for specified work programs. Each year WFRC staff prepares a budget and a Unified Planning Work Program (UPWP) for the next fiscal year that begins on July 1. The budget includes prior year actual expenditures, current year estimated expenditures and anticipated budgeted expenditures for the next

fiscal year. The budget also provides details of the sources of funds, expenditures by function and expenditures by work program. The UPWP describes the anticipated work to be accomplished. The budget and UPWP are presented to Council at their regularly scheduled meeting held the 4<sup>th</sup> Thursday of March. Once the Council has reviewed the draft it is released to the member County Councils of Government for their review and comment. The draft budget is also posted on the WFRS website.

A final draft budget and UPWP are presented to the Council for approval at their regularly scheduled meeting held on the 4<sup>th</sup> Thursday of May. No less than ten days prior to this meeting the final draft budget is made available to the public. No less than 7 days prior to the Council meeting, notice is posted in at least one issue of a newspaper of general circulation and on the Utah Public Notice Website that a public hearing will be held before a call for a vote to approve the budget.

The budget may be amended during the year to include additional funds from grants or contracts for specific projects. These budget amendments are subject to the same notification and public hearing as is required during the initial adoption. The Council staff, with prior written approval from the Council Chair and the Budget Committee Chair, may move budgeted expenses from one budgeted line item to another without a public hearing or formal budget amendment as long as the adjustment does not increase total expenditures of the fund, create on-going additional payroll expenses or impact debt service. Any such changes shall be reported to the Council in the regularly provided financial reports.

## **5. ACCOUNTING**

WFRS contracts with various granting agencies for specified projects. Once a project has been approved, the Chief Financial Officer (CFO) sets up the grant accounting framework and expenses can then be charged. The original signed contract is kept by the accounting department.

Each quarter the CFO prepares a report that compares year-to-date expenditures with the approved budget. This report, along with monthly check registers and balance sheets are provided to the Council prior to their regularly scheduled meetings.

All policies and procedure guidelines are designed to comply with federal and state accounting and administrative standards. The WFRS uses an outside auditing firm selected and directed by the Council for an annual audit of the Council's financial records. Copies of the annual audit are provided to the Council, Federal Clearinghouse, the Utah State Auditor's Office, and its funding agencies and to others upon request.

## **6. PROCUREMENT**

The procurement policies are intended to ensure fair and equitable treatment for all persons who wish to do business with WFRS and to foster effective broad-based competition within the free enterprise system to ensure that WFRS will receive the best possible service or product at the lowest possible price. WFRS shall designate a Procurement Agent who shall be responsible for:

- 1) Ensuring that all procurement complies with federal and state regulations where applicable.
- 2) Ensuring that all procurement is allowed under the Council's approved budget.

- 3) Ensuring that all procurement complies with all terms and conditions of the grant for which the purchase is being made.
- 4) Overseeing the Small Purchase procedures.
- 5) Identifying and documenting single source procurements.
- 6) Soliciting bids, quotes and proposals for goods or services and preparing contracts for Executive Director's signature when needed.

There are generally four classes of procurement: small purchase less than \$5,000; purchases over \$5,000 but under \$25,000; single source; and competitive bid (over \$25,000).

**Small Purchase** – Purchases less than \$5,000 do not require bids or quotes however effort should be made to use assorted vendors who provide comparable merchandise/service at comparable prices. Purchases may not be artificially divided so as to constitute a small purchase. All small purchases must have a properly completed and approved purchase order prior to making the purchase. The purchase order may be signed by the Procurement Agent or his designee. A copy of the completed and signed purchase order is to be given to the accounting department. When possible WFRC should use providers who have contracted with the State of Utah in order to receive best prices and terms.

**Purchases over \$5,000 and under \$25,000** – Purchases over \$5,000 and under \$25,000 will require three quotes that are to be documented. Requests for quotes shall include a description of the product or service and terms of the sale. Documentation shall include any written quotes and/or a completed quote form that includes the name of vendor, vendor contact name, vendor address and phone number, product/service description and total cost. Selection of a vendor will be made on the basis quality of the service or product and cost. All quotes and/or quote forms shall be attached to the signed purchase order and given to the accounting department.

**Single Source** – This may be used when there is only one provider available or there is a clear advantage to WFRC for using the single source. This may also be used to resolve an emergency situation. A purchase shall be deemed an emergency purchase if it is required to maintain health and safety and/or to avoid an interruption in work activity such as a mechanical, structural, plumbing, or equipment malfunction. All single source procurement decisions must be documented by the Procurement Agent and approved by the Executive Director.

**Competitive bid** – Goods or services with an annual aggregate total price of more than \$25,000 must be procured through a competitive bid process. An invitation to bid shall include a description of the goods or services and all terms and conditions that will apply. Public notice shall be placed in a general circulation publication not less than 15 days prior to close of bid solicitation. A committee shall be identified to make the selection based on the requirements set forth in the invitation to bid. The sealed bids shall be opened publicly in the presence of one or more witnesses at the time and place designated in the invitation for bids. The names of the bidders, the amounts of the bids, and any other relevant information shall be recorded and available for public inspection. Bids shall be unconditionally accepted without alteration or correction. The bid shall be awarded to the lowest bidder who meets the requirements and criteria set forth in the invitation to bid. All bid documentation shall be given to the WFRC accounting department.

In lieu of WFRC initiating a competitive bid process, the Procurement Agent may use contractors

from the WFRC or UDOT Consultant Pool who have been pre-qualified and selected using the competitive bid process. If this method is used no more than \$150,000 in services per contract may be awarded to any single provider. Written explanation must be documented in writing and provided to the WFRC accounting department.

**INTERNAL CONTROL:** The Procurement Agent is separate from the accounting process and is responsible for ensuring all purchases are authorized by WFRC budget and made using the policy set forth in this section.

## **7. PURCHASING CARDS**

The WFRC may issue Purchasing Cards to selected employees. Those employees are responsible for ensuring that all purchases made using their card are properly pre-approved according to the Council's procurement policy (see above) or its approved travel policies contained within the WFRC Employee Handbook. The employee shall reconcile the statement for their card with receipts each month within 5 days of receiving the statement. Under no circumstances may the purchasing card be used for personal purchase. Upon termination any purchasing card shall be surrendered immediately along with any receipts, purchase orders and other documentation.

**INTERNAL CONTROL:** The statements and documentation are given to the Procurement Agent who reviews the material and provides approval. The accounting department reviews the statements and receipts for proper pre-approval before entering the expense into the Accounts Payable system. When the statement is selected for payment the material and the Accounts Payable check is given to the Executive Director and the Council Chairperson for their review and signature.

## **8. ACCOUNTS PAYABLE**

Vendor invoices (accompanied by purchase orders and receiving documentation when necessary) are entered into the Accounts Payable system by the accounting department as they are received. Invoices are selected by the CFO for payment according to due date and cash availability. At no time shall checks or payments be disbursed that create an overdraft on the bank account. Invoices may be paid by check or electronic transfer. Prior to payment, printed checks or electronic transfers that are prepared by the accounting department are given, along with all supporting documentation, to the Executive Director or Deputy Director for review and approval. Once reviewed and approved by Executive Director or Deputy Director the checks or electronic transfers and supporting documentation are presented to the WFRC Chairperson or WFRC Vice-Chairperson or Budget Committee Chairperson for review and approval. All checks or electronic transfers require two of the following approvals: WFRC Chairperson, WFRC Vice Chairperson, WFRC Budget Committee Chairperson, the Executive Director or the Deputy Director. At least one approval must be an elected official. The approved checks or electronic transfers are returned to the Administrative Assistant for mailing or processing. The invoices and supporting documentation along with check stubs or electronic transfer identification are filed alphabetically by vendor and kept together by fiscal year. This alphabetical file contains a record of all A/P disbursements.

Each month the CFO obtains a copy of the check and electronic transfer register that provides a record of all Accounts Payable disbursements and is used by the CFO to reconcile the bank account. The bank

reconciliation and bank statement are provided to the Executive Director and the WFRC Chairperson for review each month.

**INTERNAL CONTROL:** Invoices are reviewed for approval prior to generating a check or electronic transfer. Checks are pre-numbered and accounted for (void checks are marked as such and filed with accounting working papers). The accounting software also generates a check number that must match the pre-printed check number. If the software generated numbers do not match up with the numbers on the pre-printed checks it would indicate a missing check or a check voided through the software and would trigger investigation. All disbursements are issued through the Accounts Payable software system and require two authorized approvals. The CFO reconciles the bank statement to the general ledger each month and provides a copy of the bank statement and reconciliation to the Executive Director, Treasurer and WFRC Chair for review and approval.

## **9. PAYROLL**

Direct deposit payroll is prepared semi-monthly by an outside payroll processing vendor. Hours worked by hourly employees are gathered by the accounting department for payroll and reconciled monthly to timesheets that are signed by the employee and the employee's supervisor. Any salary changes are documented by a memo signed by the Executive Director and kept in the personnel files. The payroll journal is printed and reviewed by the CFO before being given to the Executive Director and the Chairperson or Vice-Chairperson for review and approval. The payroll processing vendor also generates an electronic transfer for payment of all payroll taxes and guarantees accuracy and timeliness. The payroll processing vendor also prepares and electronically files quarterly and year end payroll tax returns and W-2's, copies of which are delivered to WFRC for review.

**INTERNAL CONTROL:** Payroll is reviewed and approved by the CFO, Executive Director and the WFRC Chairperson. Salary amounts are documented and signed by the Executive Director. Hours reported for payroll are verified by timesheets signed by the employee and the employee's supervisor. A third party guarantees accuracy and timeliness of payroll tax payment (subject to WFRC's ability to meet cash requirements) and returns.

## **10. COST ALLOCATION**

Labor costs represent the majority of total expenditures. Each employee keeps a timesheet that records how much time is spent on each work item. All time worked is accounted for on the timesheets. These timesheets are signed by the employee and submitted to the appropriate supervisors monthly for review and signature and are then given to the accounting department for payroll cost allocation. A spreadsheet is prepared that totals gross salary and benefits and arrives at a cost per hour for each employee. Using the time sheets the accounting department allocates the cost per hour per employee to the various work programs in the general ledger.

When a cost can be determined to benefit a specific program it is expensed directly to that program. Fixed asset costs are charged to the programs by way of depreciation. Travel expenses are reimbursed as per the personnel policy using GSA rates and guidelines based on actual expense receipts. Every effort is made to

assign costs accurately and fairly to each program. Those shared expenses that benefit several or all programs are accounted for as indirect expense and allocated to each program based on hours worked each month (as per time sheets). Further detail on cost allocation is provided in WFRC's Cost Allocation Plan.

**INTERNAL CONTROL:** Each fiscal year the CFO prepares a Cost Allocation Plan that is reviewed by the Executive Director and submitted to the Utah Department of Transportation's Director of Fiscal Audit (WFRC's federal cognitive agency designee). The UDOT Director of Fiscal Audit issues a letter approving the plan that is kept on file with the accounting department and made available to funding agencies upon request. The allocation of charges can be monitored using the budget to actual expense reports provided quarterly to the Council.

## **11. GENERAL LEDGER**

Each month the CFO transfers the entries from the Accounts Payable, Accounts Receivable, and Payroll (used for allocating payroll costs generating the payroll summary entry) software systems to the general ledger. General journal entries are made for depreciation, bank reconciliation, payroll, closing and recurring allocations. The CFO keeps a 'working papers' file by month that contains supporting documentation for entries made to the general journal. General ledger accounts are reviewed for accuracy using external documentation where available. The general ledger work should be completed no later than twenty five days following the end of the month. Any exceptions to this are discussed with the Executive Director.

**INTERNAL CONTROL:** All entries to the general ledger are made by the CFO. Supporting documentation for general journal entries is maintained. The general ledger detail is provided monthly to the Executive Director for review. Where possible, real accounts are verified with external documentation (bank statements, inventories, etc.). EDP files are backed up daily and hard copies are generated monthly.

## **12. ACCOUNTS RECEIVABLE**

Each month or on a quarterly basis (as determined by the funding agency) the CFO requests reimbursement from the funding agencies for WFRC's actual expenses for the prior month(s). Some local contributions are requested in advance and held as deferred revenue until needed for matching requirements or other approved expenditures. Requesting reimbursements should occur no later than twenty five days following the end of the month. Any exceptions to this are discussed with the Executive Director. At no time should reimbursement requests exceed actual costs incurred. Some requests for reimbursement must be accompanied by progress reports, product samples, etc. These are prepared by individuals other than the CFO.

Checks for A/R remittances are received by the Administrative Assistant who date stamps the check (or stub), endorses them 'for deposit only', makes a photo copy of each check, and deposits them using a check scanner. WFRC receives all remittances by either check or electronic deposit. Supporting documentation for electronic deposits is kept in the monthly working papers file. Any cash deposited is negligible (postage or copies paid for by employees). The Administrative Assistant makes the deposit and obtains a dated receipt from the bank. Checks are deposited daily when received. The Administrative Assistant gives the bank receipt and check copies to the accounting department for posting to accounts receivable and filing.

Any funds not received within six weeks of the date of reimbursement request are followed up with a phone call or written note and any problems are noted and addressed.

**INTERNAL CONTROL:** The Administrative Assistant is responsible for the custody of the cash receipts and the CFO is responsible for the accounting function only. Any write offs of accounts receivable must be approved by the Executive Director. Exception may be made for amounts under \$10.00.

### **13. OTHER ASSETS**

Office equipment is purchased by the WFRC General Fund. Usage allocations for equipment costs are assigned to individual programs using straight-line depreciation. All equipment having a useful life of more than one year is included in the fixed asset group of accounts however purchases which are less than \$1,000 are expensed in the month of purchase. When fixed assets are purchased, they are assigned an inventory number and placed on a fixed asset list that records original cost, accumulated depreciation, net book value and the employee in possession of the asset. At least once every two years a physical inventory is taken and compared with fixed asset list. When equipment is determined by the Equipment Committee to be beyond its useful life a list of said equipment is given to the Director of Operations who is charged with overseeing the sale or disposal of the asset by the Equipment Committee. Retired assets are disposed of on a highest bid basis.

Personnel policy prohibits the personal use of WFRC resources by employees. Employees may purchase incidental postage or copies at WFRC cost however they have been advised not to use WFRC assets or open account arrangements with WFRC vendors for personal use. WFRC will not advance money to employees other than pre-approved travel advances that must be returned and/or accounted for within one month of the travel for which the advance was given. All travel expense reports and advances must be approved by the Executive Director or Area Coordinators.

**INTERNAL CONTROL:** The Director of Operations reviews and approves of any disposition of fixed assets and is advised of any missing assets. The purchase order process prohibits employees from charging personal purchases to WFRC open accounts with vendors. Inventory of fixed assets is maintained.

### **14. RECORDS MANAGEMENT AND RETENTION**

WFRC is committed to proper maintenance and retention of records. The Public Records Management Act (PRMA), mandates state ownership of government records and requires their effective management (Utah Code 63A-12). Additionally, WFRC is committed to following the Government Records Access and Management Act (GRAMA), the comprehensive law dealing with management of government records and access to those records (Utah Code 63G-2).

Falsifying records, deliberately concealing records, destroying records in bad faith, exploiting confidential information, or otherwise mishandling records is not acceptable. Employees must take steps to ensure potentially relevant information is not inadvertently destroyed pursuant to document retention schedules or by routine computer operations or common computer settings, such as the automated deletion of

emails.

As a state agency, WFRC will also adhere to the Utah State General Records Retention Schedule. It can be found on the Utah Division of Archives and Records Services website.

<https://archives.utah.gov/recordsmanagement/grs/stgrslist.html>

WFRC will, at a minimum:

1. establish and maintain a records management system on a continuing and active basis;
2. create and maintain records containing adequate and proper documentation of the organization, functions, policies, decisions, procedures, and essential transactions, designed to furnish information to any agency or person affected by the activities of WFRC;
3. identify and take adequate steps to protect confidential and vital records;
4. ensure that all information potentially relevant to any GRAMA request, internal or government investigation or lawsuit filed or reasonably anticipated to be filed against WFRC is preserved and provided upon request in a timely manner and;
5. cooperate with the Utah Division of Archives and Records Services and all other State Agencies in the conduct of agency records management requirements and requests.

## **15. PERSONNEL**

Personnel policies are established by the Council and made available to all employees. The Executive Director is responsible for administering the personnel policies. All changes to personnel policy require Council approval.

## **16. MANAGEMENT REPORTS**

Each month the CFO prepares and distributes to the Executive Director and the Area Coordinators an expense/budget comparison report for each active program. This report is used to monitor the monthly and accumulated expenses charged to each program and relates this information to both time and budget completion and allows management to direct WFRC resources appropriately.

Each month the CFO reviews the outstanding accounts payable and accounts receivable and discusses any cash flow or collection problems that exist with the Executive Director and the Area Coordinators. In addition, the CFO prepares a projection of cash flow and cash requirements and requests management input for future planning of cash needs.

Interim verbal and written reports regarding accounts receivable and accounts payable are made when significant changes in status occur.

## **17. COMPLIANCE**

WFRC will comply with all state and federal regulations regarding financial reporting, budget, public notice, records management and retention, and transparency.

Council members and staff are subject to the Utah Public Officers' and Employees' Ethics Act (Title 67, Chapter 16).

**INTERNAL CONTROL:** WFRC will appoint a Compliance Administrator responsible for ensuring compliance with applicable regulations. The Compliance Administrator will maintain a log of compliance actions and make that log available to Council members.

- 2 C.F.R. 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.
- Other applicable state and federal laws and regulations will be adopted and followed as program funds and grant funding is accepted and received.

### ***Ethics/Fraud Hotline/Conflict of Interest***

WFRC Council members and staff are subject to the Utah Public Officers' and Employees' Ethics Act (Title 67, Chapter 16). This Act prohibits improper disclosure of private, protected or controlled information, use of official position to secure special compensation, gifts or privileges, engagement in activities that would impair independent or good judgment, engagement in any activity which is, or appears to be, in conflict with public duties, failure to comply with public disclosure or transparency and destruction of public records and information.

The Council is committed to legal, ethical and proper administration of the resources received by WFRC. Employees or others who are aware of or suspect waste or misuse of public funds or property, violation of a law, rule, Council policy or gross mismanagement, are requested to promptly report it to the CFO, Executive Director and/or the Council. WFRC's Personnel Policy states that any employee who suspects or knows of any fraud, waste or abuse of resources must report such to any member of the Area Coordinator team, senior management, or the external independent auditor. WFRC has established an email "hotline" for any person that knows of or suspects fraud to report such. Employees who report such matters are protected by Section 3 of the Utah Protection of Public Employees Act (see Utah Code 67-21). All Officers of the Council and employees shall provide annually a statement of ethical behavior and a disclosure of any conflict of interest in compliance with Utah Code [17-16a-6, 7, and 8](#).

### ***Record Keeping***

To provide an accurate record of all financial transactions (a good audit trail), the organization's books, records, and accounts are maintained in conformity with Generally Accepted Accounting Principles (GAAP) and Governmental Accounting Standards Board (GASB) standards as expressly required by state law. Audited financial statements certified by an independent auditor will be prepared annually. Further, the organization specifically requires that:

- No funds or accounts may be established or maintained at the organization or at any financial institution without authorization and for purposes that are not fully and accurately described within the books and records of the organization.
- Receipts and disbursements must be adequately described and reflected in the organization's books and records to accurately record the transaction detail.
- No false, embellished or fictitious entries may be made on the books or records nor any false or misleading reports issued.
- WFRC accounts, books and records shall from time to time be adjusted, in accordance with GAAP and GASB standards, to reflect actual results when the need for adjustment is identified.
- WFRC records shall be maintained at or under control of WFRC and may not be kept at personal residences, unless authorized by the Council.

### ***Record Retention and Disposal***

WFRC shall appoint a Records Officer to ensure records are maintained for the minimum period according to state law and the [guidelines](#) of the Utah State Archives. Generally, records are maintained as follows (subject to current regulations of Archives):

- |  |                      |
|--|----------------------|
| ● Council Meeting Minutes:                       | permanent retention. |
| ● Council Meeting Agenda:                        | 2 years.             |
| ● Annual Financial Reports:                      | permanent retention. |
| ● Procurement Records:                           | 4 years.             |
| ● General Ledger                                 | 10 years.            |
| ● Bank, Finance, Facility and Insurance Records: | 4 years.             |
| ● Fixed Asset List:                              | 10 years.            |

The following records supporting federal contracts, as required by U.S. Office of Management and Budget, are retained for the indicated minimum periods, or consistent with state law, for three years after submission of the final report of expenditures: general ledger, trial balance, accounts payable and accounts receivable ledger, payroll register, petty cash book, check register and invoices except for:

- If any litigation, claim, or audit is started before the expiration of the 3-year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved and final action taken.
- Records for real property and equipment acquired with Federal funds shall be retained for 3 years after final disposition.

### ***Segregation of Duties***

The Council recognizes the role of segregation of duties in protecting the assets of the organization. The Executive Director shall ensure that internal control procedures maintain appropriate segregation of duties.

### ***External Audit***

The Council (after receiving a recommendation from the audit committee) engages a qualified independent certified public accounting firm to conduct an independent fiscal audit of the WFRC financial records annually.

WFRC should distribute a request for proposal (RFP) (at minimum every 5 years) as required in Utah Administrative Code R123-5-4, following RFP requirements in Utah Procurement Code 63G-6a.

The audit shall be performed in accordance with Generally Accepted Auditing Standards (GAAS) generally accepted in the United States of America, Government Auditing Standards issued by the Comptroller General of the United States, 2003 Revision (GAS) and, if applicable, the U.S Office of Management and Budget's relevant circulars. The selected firm must be properly licensed to perform the audit and certify WFRC's financial statements. Furthermore, they must be familiar with all relevant standards and related state and federal regulations in order to properly conduct and certify WFRC's fiscal audit.

### ***Audit Committee***

The WFRC Budget Committee shall function as the WFRC Audit Committee. The Committee members collectively should possess the knowledge in accounting, auditing, and financial reporting needed to understand and evaluate WFRC's financial statements, the external audit, and WFRC's internal audit activities.

### **Membership**

The membership duties of the WFRC Audit Committee include the following:

1. Good Faith – Members of the Committee shall perform their duties in good faith, in a manner they reasonably believe to be in the best interests of the Committee and WFRC with such care as a generally prudent person in a similar position would use under similar circumstances.
2. Independence – An individual may not serve on an audit committee if he or she:
  - a. Is employed by WFRC.
  - b. Currently provides, or within the prior two years, has provided, goods or services to WFRC.
  - c. Is a family member of an employee or officer.
  - d. Is the owner of or has a direct and material interest in a company providing goods or services to WFRC
3. Confidentiality – During the exercise of duties and responsibilities, the Committee members may have access to confidential information. The Committee shall have an obligation to WFRC to maintain the confidentiality of such information.

### **Duties & Responsibilities**

1. External Audit Focus
  - a. Provide recommendations regarding the selection of the external auditor
  - b. Review and discuss with the external auditor any risk assessment of the WFRC's fiscal operations developed as part of the auditor's responsibilities under governmental auditing standards for a financial statement audit and federal single audit standards, if applicable.
  - c. Receive and review the draft annual audit report and accompanying draft management letter, including the external auditor's assessment of the entity's system of internal controls, and, working directly with the external auditor, assist the governing body in interpreting such documents.
  - d. Make a recommendation to the governing body on accepting the annual audit report.
  - e. Review every corrective action plan developed by WFRC management and assist the governing body in the implementation of such plans.
2. Internal Audit Focus
  - a. Ensure that high risk areas and key control activities are periodically evaluated and tested, and review the results of regular internal audits.
  - b. Participate in the evaluation of the performance of the internal audit function.
  - c. Oversee Hotline complaints received and investigated.
3. Administrative Matters
  - a. Hold regularly scheduled meetings

- b. Review and propose revisions to these Accounting and Administrative Procedures, as necessary.

### **Meetings and Notification**

The WFRC Audit Committee shall meet a minimum of three times each year. An agenda of each meeting should be clearly determined in advance and the Audit Committee should receive supporting documents in advance, for reasonable review and consideration. Minutes of the meeting shall be kept and posted.

### **Reporting Requirements**

The WFRC Audit Committee has the duty and responsibility to report its activities to the Council as needed, but not less than annually. Periodic written reports of Audit Committee activities are an important communication link between the Audit Committee and the Council on key decisions and responsibilities. The Audit Committee's reporting requirements are to:

- Report on the scope and breadth of committee activities so that the Council is kept informed of its work.
- Provide minutes or a summary of minutes of meetings which clearly record the actions and recommendations of the Committee.
- Report on their review of the WFRC's draft annual audit report and accompanying management letter and their review of significant findings.
- Report on suspected fraud, waste or abuse, or significant internal control findings and activities of the internal control function.
- Report on indications of material or significant non-compliances with laws or WFRC policies and regulations.
- Report on any other matters that the committee believes should be disclosed to the Council.

### **Budgeting**

WFRC receives its revenues from member contributions and various granting agencies that contract with WFRC for specified work programs. Each year WFRC staff prepare a budget and a Unified Planning Work Program (UPWP) for the following fiscal year. The budget includes prior year actual expenditures, current year estimated expenditures and anticipated budgeted expenditures for the next fiscal year. The budget also provides details of the sources of funds, expenditures by function and expenditures by work program. The UPWP describes the anticipated work to be accomplished. The budget and UPWP are presented to Council at their regularly scheduled meeting held in March or April. Once the Council has reviewed the draft it is released to the member County Councils of Government for their review and comment. The draft budget is also posted on the WFRC website.

A final draft budget and UPWP are presented to the Council for approval at their regularly scheduled meeting held in May or June. No less than ten days prior to this meeting the final draft budget is made available to the public. No less than 7 days prior to the Council meeting, notice is posted on the WFRC website and the Utah Public Notice Website that a public hearing will be held before a call for a vote to approve the budget.

The budget may be amended during the year to include additional funds from grants or contracts for specific projects. These budget amendments are subject to the same notification and public hearing as is required during the initial adoption. WFRC staff, with prior written approval from the Council Chair and the Budget Committee Chair, may move budgeted expenses from one budgeted line item to another without a public hearing or formal budget amendment as long as the adjustment does not increase total expenditures of the fund, create on-going additional payroll expenses or impact debt service. Any such changes shall be reported to the Council in the regularly provided financial reports.

Key budgeting information:

- The fiscal year is July 1 through June 30.
- Budgets and interim actual reports shall be maintained in the modified accrual basis of accounting.
- Year-end financial statement reporting shall be presented in both the full accrual basis and the modified accrual basis (based on GASB standards) for Entity Wide and Fund level reporting.

***Measurability of Revenues***

Wasatch Front Regional Council recognizes funds as measurable and recorded in the accounting records if the revenues are collected within ninety (90) days of year end. A receivable may be recorded on the books if it is anticipated that the funds will be received within this timeline. In the event the funds are not received, an adjustment will be entered on the books before issuing the audited financial statements.

***Journal Entries***

In accordance with law, rules and applicable accounting standards, WFRC may from time to time need to adjust the books to reflect transactions as they actually occurred using journal entries. Each journal entry shall be substantiated by supporting documentation detailing the need for the change and recorded in the accounting system.

***Financial Statement Reporting***

WFRC will provide the following reports to the Council:

Quarterly

- Program level reporting
- Balance Sheet
- Statement of Revenues and Expenditures

Annually

- Financial statements for audit, with supporting statements as needed.
- Annual budget(s).

***Capitalization of Property***

All tangible personal property, land, capital improvements or buildings with a useful beyond a single annual reporting period and a unit acquisition cost that exceeds the Council-authorized capitalization threshold of \$5,000 are recorded and capitalized on the property schedule. The asset capitalized cost includes actual costs, tax, shipping/handling, and other expenses incurred to bring the asset ready for its intended use.

Additionally, these policies apply to capital assets:

- All capitalized assets will be depreciated using the straight-line method of depreciation in accordance with such asset's useful life and governmental & financial accounting standards.
- The depreciation expense will be recorded in the year end statement of revenues, expenses, and changes in net assets.
- WFRC shall maintain records of all federal and state government-furnished capital assets (where required), including those in restricted programs, with proper program identification and segregation of property and equipment acquired through government contracts, funds or programs. For restricted programs, ensure these assets are only used for allowable purposes per program regulations and dispose of these assets in a manner consistent with program rules (there are limitations on asset disposal in certain federal programs).

- No item on the property schedule shall be disposed of or removed from the premises without prior approval of the Chief Financial Officer.
- All Assets shall be disposed consistent with applicable regulations, including any regulations applicable to restricted funds with which they were purchased, according to state or federal regulations as appropriate.
- Personnel policy restricts the personal use of WFRC resources by employees.

### ***Liabilities***

Encumbrances, debt, liabilities or other obligations are recognized and measured in conformity with GAAP and GASB standards in both the modified and full accrual basis of accounting. Liabilities also include certain other deferred amounts that are not obligated, but are recognized and measured in conformity with GAAP and GASB standards.

### ***Accrued Liabilities***

Certain employee benefits and payroll tax liabilities, together with professional fees, rent, and insurance costs incurred, but unpaid, are reflected as a liability when entitlement to payment occurs.

### ***Debt***

Short-term debt consists of financing expected to be paid within one year of the date of the annual audited financial statements and shall not be recorded as a liability on the balance sheet. Long-term debt consists of financing that is not expected to be repaid within one year and shall be recorded as a liability on the balance sheet. All short-term and long-term debt must be approved by the Council. Loan agreements approved by the Council shall be in writing and specify all applicable terms, including the purpose of the loan, the interest rate, and the repayment schedule. Capital leases shall be reported per GASB 87.

## **Asset Protection**

### ***IT/Computer Security***

To minimize unauthorized access to WFRC data, WFRC's accounting software will be maintained properly to ensure adequate internal controls and security measures are established/functioning (e.g. encryption where appropriate, user maintenance, secure password protection, etc.).

Fiscal records shall be maintained in an organized system ordered by period (month/fiscal year, etc.), numerically or alphabetically as appropriate. Any fiscal record(s) shall be produced upon request (within a reasonable time frame) for active authorized individuals (chair, treasurer, Executive Director). Fiscal records shall be retained on site or at the Utah State Archives according to established retention schedules.

All WFRC Data is stored in online password-protected files, with access limited to those employees working on specific programs. WFRC employs or contracts with an IT company or professional to ensure security and provide regular training to employees.

### ***Insurance and Bonding***

WFRC must maintain at least the minimum levels required of appropriate commercial coverage, as deemed appropriate by the Council per state law or rule, for the following insurance products or policies:

- General liability.
- Business & personal property.
- Property (building/facilities/earthquake coverage)
- Public Officials Errors and Omissions

- Sexual Harassment
- Workers' Compensation.
- Unemployment Insurance (a tax).
- Crime Insurance or Public Officials Bond.
- Other insurance as needed.

## Banking

### ***Deposit and Loan Accounts, Signature Authority***

The Council authorizes deposit and loan accounts for general or specific purposes. Fiscal assets may only be kept at any bank or financial institution that is currently on the approved list of institutions by the Utah Money Management Council.

WFRC staff shall ensure that at least two of the following *active* individuals (currently serving in good standing) are Account Owners (and signers) on all accounts at all financial institutions or mortgage/loan providers (as permitted by the financial institution):

- The Council Chair.
- The Treasurer.
- The Executive Director.
- The Deputy Director

WFRC staff shall ensure that current signature cards are on file at financial institutions. The Council may authorize other active individuals to be additional signers on WFRC's financial accounts who are Council members or employees of WFRC, serving in a necessarily related fiscal role. To properly segregate duties, the Council Chair, Treasurer, Executive Director, Deputy Director or others authorized by the Council, are the only individuals with signature authority and are responsible for reviewing and authorizing all fiscal transactions.

The CFO and Accounting Specialist shall not be signers on financial accounts, but may be granted limited online access to financial accounts to upload ACH information, view reports, download statements, and view account balances for convenience as authorized by the Council.

Council members or employees who are given signature authority over bank accounts must act in an ethical and responsible manner, consistent with the law; and shall cooperate freely when their service ends and they must be removed from bank accounts. WFRC staff shall ensure these expectations are properly disclosed to account signers when these individuals are added to WFRC's bank accounts.

### ***Investments***

WFRC shall follow state law and rule, including those of the Utah Money Management Council (MMC) regarding investing WFRC's fiscal assets. By law, WFRC shall not deposit fiscal assets into brokerage accounts and are limited to institutions approved by the MMC.

While ensuring sufficient cash balances are maintained in the general operating account to cover all regular monthly expenditures, the organization shall consider the deposit interest rates of the Public Treasurers Investment Fund (PTIF) compared to other approved institutions and propose to the Council investment plans consistent with this policy. All transfers of cash between accounts must be made within Council policy and reported to the Council. The order of investment objectives are safety, liquidity and return.

### ***Accounts Receivable***

WFRC receives all remittances by either check or electronic deposit (EFT). Supporting documentation for electronic deposits is retained in WFRC files. Any cash deposited is negligible (e.g., postage or copies paid for by employees).

### ***Electronic Funds Transfer***

WFRC uses electronic fund transfer (EFT) for payment to all vendors. Authorized account signers may approve EFT transactions as needed for approved procurement transactions only, following all applicable policies and procedures.

### ***Use of Purchasing Cards***

WFRC may issue Purchasing Cards to selected employees. Those employees are responsible for ensuring that all purchases made using their card are properly pre-approved according to the Council's procurement policy (see below) or its approved travel policies contained within the WFRC Personnel Policies. The employee shall reconcile the statement for their card with receipts each month within 5 days of receiving the statement. Under no circumstances may the purchasing card be used for personal purchase. Upon termination any purchasing card shall be surrendered immediately along with any receipts, purchase orders and other documentation.

## **Procurement**

The procurement [policies](#) are intended to ensure fair and equitable treatment of potential vendors, to foster effective broad-based competition within the free enterprise system, and to ensure that WFRC will receive the best possible service or product at the lowest possible price. WFRC shall designate a Procurement Agent who shall be responsible for:

- Ensuring that all procurement complies with federal and state regulations where applicable.
- Ensuring that all procurement is allowed under the Council's approved budget.
- Ensuring that all procurement complies with all terms and conditions of the grant for which the purchase is being made.
- Overseeing the Small Purchase procedures.
- Identifying and documenting single source procurements.
- Soliciting bids, quotes and proposals for goods or services and preparing contracts for the Executive Director's signature when needed.

WFRC distinguishes between general purchases and design professional services purchased from a pre-qualified pool of vendors. There are generally four classes of general purchase [procurement](#): small purchase less than \$5,000; purchases over \$5,000 but under \$25,000; competitive bid (over \$25,000); and sole source. For design professional services purchased from a pre-qualified pool of vendors, WFRC follows [Rule R33-5](#) as described below.

### **Small Purchase**

Purchases less than \$5,000 do not require bids or quotes; however, effort should be made to use assorted vendors who provide comparable merchandise/service at comparable prices. Purchases may not be artificially divided so as to constitute a small purchase. All small purchases must have a properly completed and approved purchase order prior to making the purchase. The purchase order may be signed by the Procurement Agent or their designee. A copy of the completed and signed purchase order is to be given to the accounting department. When possible WFRC should use providers who have contracted with the State of Utah in order to receive best prices and terms.

### **Purchases over \$5,000 and under \$25,000**

Purchases over \$5,000 and under \$25,000 will require three bids or quotes that are to be documented. Requests for bids or quotes shall include a description of the product or service and terms of the sale. Documentation shall include any written quotes and/or a completed quote form that includes the name of vendor, vendor contact name, vendor address and phone number, product/service description and total cost. Selection of a vendor will be made on the basis of quality of the service or product and cost. All bids or quotes and/or bid or quote forms shall be attached to the signed purchase order and given to the accounting department.

### **Competitive bid**

Goods or services with an annual aggregate total price of more than \$25,000 must be procured through a competitive bid process. An invitation to bid shall include a description of the goods or services and all terms and conditions that will apply. Public notice shall be posted not less than 7 [days](#) prior to close of bid solicitation. A committee shall be identified to make the selection based on the requirements set forth in the invitation to bid. The names of the bidders, the amounts of the bids, and any other relevant information shall be recorded and available for public inspection. Bids shall be unconditionally accepted without alteration or correction. The bid shall be awarded according to the criteria set forth in the invitation to bid. All bid documentation shall be filed with the award letter and contract. No member of the selection committee may have a conflict of interest with any bidder.

### **Sole Source**

Sole Source awards should only be used when justified after reasonable research has been conducted to determine if there are other available sources and an analysis has been conducted to determine if a sole source is cost justified. Justification for a sole source includes circumstances where there is only one provider available, use of a specific provider is a condition of the donation or grant, or there is an emergency circumstance that may create harm or risk to health, welfare, safety or property. . All sole source procurement decisions must be documented as required by [State rule](#)

### **Consultant Pool: (Design Professional Services)**

The small purchase threshold for professional services is [\\$100,000](#). These consulting services may be procured by direct negotiation after reviewing the qualifications of at least three professional firms included in the Wasatch Front Regional Council (WFRC) & Mountainland Association of Governments (MAG) Planning and Model Development Consultant Pool. Professional services costing more than \$100,000 will be awarded after a competitive review of at least three proposals from pre-qualified vendors.

## **Human Resources and Payroll**

### ***Payroll Related Expenditures***

The Council, with authority delegated to the Executive Director, shall ensure that payroll-related expenditures are earned, accurate, and approved (authorized) before payment is made. Additionally, the following applies to payroll-related expenditures:

- Employees will be paid for all services (stipends, additional work, etc.) related to their position through payroll and not as a 1099 employee or service provider.
- Each employee keeps a timesheet based on their current work assignment that records time spent in each program. All time worked is accounted for, reviewed and signed for by the employee and reviewed by the appropriate supervisor on a regular basis. Employees document their time and

effort on a Personnel Activity Report consistent with 2 C.F.R. § 200.430 and applicable state law and rule. Personnel Activity Reports are reviewed for accuracy to ensure ongoing compliance with federal and state program regulations.

- Pay advances are not authorized. All payments to employees are to be made only after wages are earned.
- All employee payroll amounts are calculated based upon approved rates included in the individual's personnel file. Any changes to pay rates or benefits must be properly authorized in writing by appropriate individuals or the Council where applicable.
- All payroll taxes and benefits are properly calculated and any deposits made in a timely manner.
- All payroll tax reports are prepared in a timely manner and reviewed for accuracy prior to filing.

### ***Cost Allocation and Travel Policy***

When a cost can be determined to benefit a specific program it is expensed directly to that program. Expenses that benefit several or all programs are accounted for as indirect expenses and allocated to each program based on hours worked each month. Further detail on cost allocation is provided in WFRC's Cost Allocation Plan, which is reviewed and approved annually by UDOT.

Travel expenses are reimbursed in accordance with WFRC personnel policy using GSA rates and guidelines based on actual expense receipts.

### ***Personnel***

Personnel policies are established by the Council and made available to all employees. The Executive Director is responsible for administering the personnel policies. All changes to personnel policy require Council approval.

## **New Administrative and Accounting Policies Outline**

Blue sections are new/updated

Green sections are from the original policy

1. Purpose  
New - defines purpose of the policy
2. Designation of the Treasurer and Clerk  
Original with updates to payment authorization process (no physical checks)
3. General Policies -  
A list of laws and regulations that WFRC follows - these come from the assurances that we are required to make when applying for federal funds, so it is good practice to keep them at the top of our policies
4. Ethics/Fraud Hotline/Conflict of Interest  
Original language about ethics; Fraud hotline language added from Fraud Risk Assessment requirement (already in Personnel Policy but required here as well)  
Statement of Ethical Behavior and Conflict of Interest required from Fraud Risk Assessment
5. Record Keeping  
Defines the accounting standards followed at WFRC - for audit purposes
6. Record Retention and Disposal  
Language designating a Records Officer and general records retention policy
7. Segregation of Duties  
New language to codify WFRC commitment to internal controls and segregation of duties. In practice, this is embodied in the duties of CFO, Accounting Specialist, and Procurement Agent.
8. External Audit  
Outlines the schedule and scope of the annual audit
9. Audit Committee  
Original language stating that the Budget Committee serves as the Audit Committee; updated to reduce redundancy and clarify the internal audit function (with the addition of financial office staff we are able to perform these functions internally and not hire outside financial experts or internal auditors). Internal audit remains a priority, and the Council is still able to hire outside auditors, but not bound by policy to do so. *Removed requirement for audit committee to meet with external auditor prior to commencement of audit.*
10. Budgeting  
Original language updated to allow for schedule changes for the Budget Committee and Council meetings
11. Measurability of Revenues  
Language stating the period of time used to define "measurable" - required for audit
12. Journal Entries  
Language allowing for journal entries, a practice which has changed with our new accounting system (we use them far less frequently now)
13. Financial Statement Reporting  
New language outlining financial reporting deadlines

14. Capitalization of Property  
New language recommended by our auditor to update our capitalization threshold to \$5000 and define our depreciation policy
15. Liabilities  
New language defining this term for auditors
16. Accrued Liabilities  
New language defining this term for auditors
17. Debt  
New language defining this term for auditors
18. IT/Computer Security  
New language included as a requirement on the Fraud Risk Assessment
19. Insurance and Bonding  
New language to outline the required insurance
20. Deposit and Loan Accounts, Signature Authority  
New language to specify authorized signatories, and to outline depository requirements per the Money Management Council
21. Investments  
New language to define the investment policies of WFRC, which holds funds in two investment accounts
22. Accounts Receivable  
Original language but with updated paragraph explaining the deposit procedure (mostly EFT, basically no cash). Removed language describing outdated process.
23. Electronic Funds Transfer  
New language to accurately describe current payment process
24. Use of Purchasing Cards  
Original language, updated to remove redundancy
25. Procurement  
Modified to abide by Uniform Guidance 2 CFR 200.320 and bring TLC procurement process in alignment with WFRC policies
26. Payroll Related Expenditures  
New language to ensure compliance with Federal law regarding documentation required for work with Federal grants.
27. Cost Allocation and Travel Policy  
Original language - travel policy is required by the Fraud Risk Assessment, and deleted sections are covered under "Payroll Related Expenses"
28. Personnel  
Original language
