RGC PlanTAC
Regional Growth Committee | Technical Advisory Committee
December 16, 2020

Via Zoom

9:00 AM – 10:30 AM

Meeting Summary

AGENDA ITEM	DISCUSSION	ACTION
Welcome and Introductions – Ryan Perry	Ryan Perry introduced the meeting and welcomed the attendees. PlanTAC was held via Zoom.	None Required
1. Meeting Summary – September 16, 2020 Minutes	Ryan Perry called for a motion to approve the September 16, 2020 minutes.	Approved
2. Legislative session preview – Wilf Sommerkorn	Wilf Sommerkorn gave an update on transportation and land use bills to track and pay attention to this legislative session. Please contact Wilf Sommerkorn at wilfsommerkorn@live.com for additional information.	None Required
3. The 2023 RTP – Forces, scenarios, and more – WFRC LRP Group	The WFRC LRP Group presented an update and walked through their work on the external forces and their scenario work. Nikki Navio presented and gave an update on the first Freight Stakeholder Group Meeting. Part of the RTP outreach to get a better understanding of the transportation challenges these industries are facing. Please contact Jory Johner at jjohner@wfrc.org for additional information.	None Required
4. Unpack "access to opportunities": local case studies – Julie Bjornstad	Julie gave a presentation on ATO concepts and examples, how & why ATO is being put to work in the region, and some of the ATO-related tools and analysis that have been recently developed. Ted Knowlton comments that part of the reason we wanted to come back and mention ATO is that it dovetails with so many things local governments say they want to improve. Please contact Julie Bjornstad at julieb@wfrc.org for additional information.	None Required
5. Covid-19 impacts on communities and transportation –	Ted gave a presentation on the impacts of Covid-19 on communities and transportation and had a discussion on potential longer term impacts from the pandemic.	None Required

Ted Knowlton	Please contact Ted Knowlton at ted@wfrc.org for additional information.	
6. New communications and analytics resources – Ryan Perry	Ryan gave an update on new communications and analytics resources. Linked here you can find various resources to utilize. Please contact Ryan Perry at RPerry@slco.org for additional information.	None Required
