

## Tooele Valley Rural Planning Organization

**Meeting Minutes**  
**Monday, March 8, 2021**  
**1:30 pm – 2:30 pm**  
**Zoom Meeting**

### **1. December 14, 2020 Meeting Minutes ( 5 min)**

Motion - Tom Tripp, Tooele County

Second - James Waltz, Grantsville

**APPROVED**

### **2. Northeast Area Corridor Study Update ( 10 min)**

Online open house will be available.

### **3. Transit Feasibility Study Update ( 5 min)**

Not much change since last report.

### **4. Topics to Address in Upcoming Long Range Plan ( 10 min)**

Improvements to Tooele LRP:

1. Extend horizon year beyond 2040.
2. Incorporate transit study and Northeast Corridor study.
3. Include elements from local plans.

These topics will be addressed in future RPO meetings.

### **5. Midvalley Highway Update ( 5 min)**

Project is progressing well and on schedule. Compaction already at 90%, should be completed by June. Ccompaction around culvert crossing near the canal is taking longer for compaction, likely to be extended to September.

Summer will involve construction on many roads at the same time in the Tooele area including SR-138, SR-112 and I-80.

Waiting for funding process to be initiated

### **6. I-80 Bridge Replacements Update ( 5 min)**

Pat not available to join the meeting. Wayne related that SR-36 work is complete. I-80 work is progressing well and expected to be complete by this fall. Grantsville welcomed any surplus roto-mill material. For federal projects the material belongs to the contractor so the City will need to contact the contractor directly.

### **7. Legislative Recap ( 5 min)**

See bill tracker for transportation and land use legislation.

<https://wfr.org/billtracker/>

HB-433 will invest \$1.1B in transportation including double track for Front Runner and significant investments in Active Transportation.

Bill xxxx invests in improvements to access and development adjacent to Front Runner stations.

## **8. Other Business ( 5 min)**

TIF and TTIF nominations including Active Transportation due March 31, 2021. Funds will become available Spring 2022.

Link to Statewide project prioritization process:

Map of significant Active Transportation projects previously identified is included.

The Census Bureau has released new criteria for defining urban areas.

## **9. Next Meeting**

June 14, 2021. Plan on another virtual meeting but health restrictions will be re-evaluated prior to the next meeting.
