Member – Jim Harvey (Weber County)	yes	WFRC Staff: Andrew Gruber, Andrea Pearson,	
Alternate - Leonard Call (Pleasant View)	yes	Wayne Bennion, Ted Knowlton, Miranda Jones Cox,	
Member – Robert Dandoy (Roy)	yes	Ned Hacker, Mikala Jordan, Nikki Navio, Ben Wuthrich,	
Alternate – Braden Mitchell (Riverdale)	yes	Hugh Van Wagenen, Kip Billings, Mike Sobczak,	
OTHER APPOINTMENTS		Rosie Hernandez	
Utah Transportation Commission			
Member – Kevin Van Tassell	yes		
Member – Natalie Gochnour	no		

1. Introductions and Consent Agenda [00:00:02 to 00:04:02, not captured on recording]

Commissioner Jim Harvey, Vice Chair, called the meeting to order at 2:02pm. Introductions were made, via roll call for virtual attendees and around the room for those in person. Commissioner Harvey brought attention to the minutes of the February 17 Trans Com meeting and asked if there were any questions or comments. Councilmember Tripp noted for the record that he was in attendance for a portion of the February meeting, and has been marked as not present. That oversight will be updated. Councilmember Tom Tripp made a motion that the minutes of the meeting be approved as written. UTA Trustee Beth Holbrook seconded the motion, and the voting was unanimous in the affirmative.

2. Chair's Report [00:04:04]

Commissioner Harvey introduced Ben Huot, UDOT, who provided an update on the anticipated schedule for project recommendations and approvals in the state Transportation Investment Funds. [00:16:24] Commissioner Harvey then turned the time to Wayne Bennion, WFRC, for an update on available federal funding opportunities. [00:20:32] Commissioner Harvey also introduced two new members of Trans Comm: Mayor Tami Tran and Councilmember Dan Dugan.

3. Public Comment [00:20:32]

Commissioner Harvey opened the meeting up for public comments. There were no public comments.

4. Transportation Improvement Program (TIP) [00:20:57]

a. Report on Board Modifications to the 2022-2027 TIP

Commissioner Harvey reported that since the last meeting of Trans Com, WFRC received requests to modify the current 2022-2027 Transportation Improvement Program (TIP). This modification was approved by the Regional Council at their March meeting and by the Utah Transportation Commission. Commissioner Harvey reminded the group that if they have any questions or concerns, they can reach out to WFRC staff.

b. ACTION: Board Modifications to the 2022-2027 TIP [00:23:24]

Commissioner Harvey turned the time to Ben Wuthrich, WFRC, who stated that there were new requests received to modify the 2022-2027 Transportation Improvement Program (TIP). This modification requires action from Trans Com and the Transportation Commission but does not require a new air quality conformity analysis or a 30-day public comment period. Mr. Wuthrich briefly discussed each project. [00:33:14] Councilmember Tom Tripp made a motion to approve the resolution to modify the 2022-2027 TIP as requested. Mayor Joe Smolka seconded the motion, and the affirmative vote was unanimous.

c. ACTION: Recommendation to Approve projects for Draft 2023-2028 Surface Transportation Program (STP) [00:33:48]

Mr. Wuthrich continued his report by discussing the new STP projects recommended in consultation with the Trans Com Technical Advisory Committees (TACs). He also reviewed the process for developing these recommendations. The annual apportionments for STP funds are projected to be approximately \$22.4M through the year 2028 in the Salt Lake/ West Valley Area and \$10,780,000 in the Ogden/ Layton Area. Given the mix of project cost overruns and project cost savings, programming efficiencies, and an increase of the federal funding allocations from the new transportation bill "Infrastructure Investment and Jobs Act" (IIJA), there is an estimated \$31,366,800 available to program in the Salt Lake/ West Valley Area, and \$16,461,200 available in the Ogden/ Layton Area for the year 2028.

As part of his review of recommended projects, Mr. Wuthrich indicated that between the time the meeting materials were sent and the time of today's meeting, WFRC staff had finally received confirmation that one of the projects initially recommended for funding had already

been funded by the State Legislature. The Technical Advisory Committee, at their March 30 meeting, had recommended that if this were confirmed, that the funding recommended for this project, the Utah and Salt Lake Canal Bridge - 4015 West, be divided in equal amounts, among the projects that had been recommended for partial funding. Mr. Wuthrich shared these projects and their adjusted recommended funding amounts with the Committee, and they are listed in the table at the end of these minutes. The amount originally recommended for each of these eight projects was increased by \$215,816. [01:20:20] Mr. Kevin Cromar, Air Quality Board, made a motion to recommend that the Regional Council approve the projects that were discussed and reviewed for funding through the 2023-2028 Surface Transportation Program. Mayor Joe Smolka seconded the motion, and the affirmative vote was unanimous.

d. ACTION: Recommendation to Approve projects for Draft 2023-2028 Congestion Mitigation/ Air Quality Program (CMAQ) [01:20:59]

Mr. Wuthrich then discussed the new CMAQ projects recommended in consultation with the TACs and presented information on the annual apportionments for CMAQ funds, which are projected to be approximately \$5.6M through the year 2028 in the Salt Lake/ West Valley Urban Area with \$6,194,400 available to program and about \$3M in annual apportionments anticipated in the Ogden/ Layton Area with \$3,713,100 available to program in the year 2028. [01:26:30] UTA Trustee Carlton Christensen made a motion to recommend that the Regional Council approve the projects that have been discussed and reviewed for funding through the 2023-2028 Congestion Mitigation / Air Quality Program. Councilmember Dan Dugan seconded the motion, and the affirmative vote was unanimous.

e. ACTION: Recommendation to Approve projects for Draft 2024 Transportation Alternatives Program (TAP) [01:27:06]

Mr. Wuthrich reviewed the new TAC-recommended projects for the TAP program. The annual apportionments for TAP funds for the year 2024 are projected to be approximately \$2M (estimated \$3,800,000 available to program) in the Salt Lake/ West Valley area, and about \$1.1M (estimated \$1,500,000 available to program) for the Ogden/ Layton Area. [01:37:50] UTA Trustee Carlton Christensen made a motion to recommend that the Regional Council approve the projects that have been discussed and reviewed for funding through the 2024 Transportation Alternatives Program. Commissioner Kevin Van Tassell seconded the motion and the affirmative vote was unanimous.

5. Other Business and Adjournment [01:41:05]

Commissioner Harvey reminded the group that the next Trans Com meeting will be held on June 16, 2022 and asked if there were any other items of business. With no further business, Commissioner Harvey made a motion for the meeting to adjourn at 3:43 p.m. The motion was seconded by Mayor Joe Smolka and the affirmative vote was unanimous.

**Summary of Recommended Projects with Partial Funding for the
 Surface Transportation Program (STP)**

Salt Lake City	900 West; North Temple to 600 North	\$ 3,215,816
Millcreek	1300 East: 3300 South to 3600 South	\$ 3,715,816
South Jordan City	4000 W / South Jordan Parkway Intersection Improvements	\$ 3,215,816
West Valley City	7200 West; 3500 South to Copper Hill Drive	\$ 4,715,816
Murray City	5600 South; 900 East to 1300 East	\$ 5,065,816
Midvale City	Tuscany View Road Extension; 800 West to Holden Street	\$ 3,565,816
Utah Transit Authority	Midvalley Connector; Murray Station to West Valley Central Station - Bus Lanes	\$ 2,215,816
Magna Metro Township	2700 South & 8000 West Intersection	\$ 2,215,816
