

**OGDEN/LAYTON AREA TRANSCOM
TECHNICAL ADVISORY COMMITTEE (TAC)**

**May, 2016
10:00 am – 11:30 am, Clearfield City Hall
MEETING MINUTES**

AGENDA ITEM	DISCUSSION	ACTION
1. Meeting Summary	Mike Child (Vice Chair) conducted the meeting. Minutes of the March 23, 2016 meeting were approved.	Approved
2. TIP Business	Ben Wuthrich of WFRC distributed and explained a spreadsheet of the Surface Transportation Program, Congestion Mitigation Air Quality Program, and Transportation Alternatives Program. The Regional Council will take action at their meeting tomorrow (May 26, 2016) on these programs, which include the new projects recommended by the TAC in March. Ben described how these programs are part of the larger Transportation Improvement Program, which includes all transportation projects in the WFRC area to which funding has been committed for the next 6 years. Mayor Tammy Long motioned that the TAC recommend that Trans Com release the Draft 2017-2022 TIP for public review from June 25 to August 6. Alma Haskell seconded the motion and the committee voted unanimously.	Approved
3. Project Updates	<p>Andy Thompson, Kaysville City, reported on lessons learned from the 200 North (900 West – Flint Street) reconstruction project: 1) think through implications of the federal funding process before applying for funding, especially in regard to right of way, utilities, and environmental review; 2) start early because each element takes longer; and 3) use a public relations specialist.</p> <p>Brett Slater, UDOT Region 1, reported on the Midland Drive (4275 South – Hinckley Drive) project. He reviewed the objectives of the project, one of which was to increase mobility by widening the road to a five-lane cross section. Utility work, including Buy America requirements, was the most challenging aspect of the project.</p>	Information
4. UTA Proposition 1 Service Enhance- ments	Christopher Chesnut, UTA, reported that UTA conducted extensive community outreach in developing a service improvement plan for the revenue increases generated from the passage of Proposition 1 in Davis and Weber counties. Generally, the plan calls for increased span (time of day, day of week) and frequency of service, implementing demand responsive service in areas of low population density, bus stop and active transportation improvements, and wayfinding. Mayor Macfarlane, Sunset City, suggested extending service further on 1800 North to reach Walmart.	Information
5. Other Business	Thanks to Clearfield City for our refreshments today.	Information
6. Next Meeting	The next meeting will be July 27, 2016 at 10:00 AM at the Clearfield City offices. Refreshments will be courtesy of Clinton City.	Information Only

Attendance Roll Ogden-Layton Technical Advisory Committee

Date May 25, 2016
