

**Ogden/Layton Area Technical Advisory Committee**  
**Clearfield City Hall, 10:00 AM – 11:30 AM**  
May 30, 2018

1. Chad Boshell

*Welcome*

*Minutes of Mar 28, 2018 – **approved***

2. Ben Wuthrich, WFRC – TIP Business

*List of projects in Draft 2019-2024 TIP sorted by funding source was distributed: STP, CMAQ, and TAP. There is a balance of unused funds in the TIP due to delayed projects. These projects need to be implemented or there may be questions from FHWA about the funding.[needs more clarity]*

*TIP Schedule. Trans Com June 14 to approve draft TIP for public review and comment. Public comment beginning June 30. Return to TAC in August. Trans Com will then make recommendation for final TIP.*

3. Kip Billings – Air Quality Conformity

*Memorandum 38a for the 2019-2024 TIP has been drafted and will be posted to the WFRC website near the end of June. The TIP is consistent with the projects and schedule in the 2040 RTP. Amendment #6 to the RTP was also subject to air quality conformity which is addressed in Air Quality Memorandum 38 which is currently out for public comment. AQ Memo 38 finds that the amended RTP conforms to state and federal air quality goals and regulations. AQ Memo 38a for the TIP finds that the TIP is consistent with the amended RTP. AQ Memo 38 and 38a are both subject to public review and federal approval.*

4. Scott Anderson, Woods Cross – Project report.

*Scott reported on the 1500 South Project, Phase 3. The third phase of the 1500 South project came with several unique challenges including drainage, rail road crossing improvements, working with the railroad, right of way, and paving.*

5. Tom Roylance, UDOT – SR-108 Project Report.

*CMGC (Construction Manager / General Contractor) process is being employed to manage this project. A new HAWK signal for safer crossing at JHS/HS will be installed. The road will be expanded to a 5-lane section. Extension of SR-193 is also included from 2000 W to 3000 W. This allows for detours during construction.*

*Project was started March 2017. Completion estimated November 2018 in 8 segments. Segment 7 involves full closure for 3 months.*

*When will this connect with project in Clinton? Uncertain, but likely within 5 years.*

## 6. Other Business

*For future meetings the city or agency providing refreshments for the meeting will have the opportunity to report on transportation successes and challenges from their city. This will provide a forum for TAC members to share transportation solutions with their peers. Ben will provide a schedule for the cities providing refreshments and reports.*

*Next Meeting – August 1, 2018. Refreshments courtesy of UTA*

## Attendance Roll

### Ogden – Layton Technical Advisory Committee

Date May 30, 2018

*Please check your name or add it to the list below and update your contact information if needed.*
