

**Ogden / Layton Technical Advisory Committee – Meeting Minutes**

Wednesday, May 29, 2019, 10:00 AM

Multi-Purpose Room -2nd Floor, Clearfield City Hall, 55 South State Street, Clearfield, Utah.

**1. Action Item – March 27, 2019 Meeting Summaries..... Steve Anderson**

*approved*

**2. Transportation Improvement (TIP) Business..... Ben Wuthrich**

**• Review – New Projects for the Draft 2020-2025 TIP for Public Review**

*Ben shared a list of proposed TIP projects that have been reviewed and approved by TransCom and the Council. Projects may be accelerated if funds become available and projects are ready to move forward. Public comment will be in July and brought to Council in August for approval.*

**• Information – Schedule for the 2020-2025 TIP Process**

*Ben reviewed that following the Public Review and Comment period, any issues received to that point would be presented to the TAC in their July meeting and then to TransCom and the Council in their August meetings prior to the 20-25 TIP approval. Following the approval from the Council, WFRC’s TIP would be combined with the other MPO TIPs and the State non-urban areas into the Statewide Transportation Improvement Program (STIP), which would then be reviewed and approved by FHWA and FTA by October 1, 2019.*

**3. UDOT Region One Workshop Report..... Vic Saunders**

*Vic reviewed UDOT Region 1 projects in progress or planned for the near future.*

*West Davis Corridor - \$800M funded. Begin 14 mile construction late 2020. Name of project will be changed. Speed limits on Legacy Highway will be raised to 65 on January 1, 2020 barring legislation to the contrary.*

*US-89 - \$498M approved to complete project from Farmington to Weber River. Does not include I-84 interchange. Interchanges planned at Antelope Drive, Gordon, Oak Hills, and 200 N.*

*I-84/US-89 Interchange – Under study. Estimated cost is \$66M to upgrade design standards.*

*Shepard Lane/I-15 Interchange – Study in progress, cost estimate \$44M.*

*SR-108 from 300 N to 1800 N – Upgrade to 5 lanes.*

*SR-108 from 1800 N to 4275 S – Unfunded.*

*I-15 Davis/Weber Express Lanes – 10 miles, \$179M. Upgrade Church Street and Gentile bridges. Eliminates lane drop between Kaysville and Layton.*

*SR-37 (1800 N) Interchange – Part of the Falcon Hill development.*

*SR-97 (5600 S) – Widening from I-15 to SR-108. Upgrade interchange. Estimated \$155M. Unfunded.*

SR-53 (24<sup>th</sup> Street) – Upgrade to full interchange. Requires RR realignment.

**4. Raised Median Tool Presentation..... Cory Pope**

*UDOT sponsored project to develop a website tool for implementing raised medians. Established a technical committee and an executive committee. Primary criteria: average daily traffic and number of travel lanes. Tool determines operational improvements and crash reductions: 1) no significant benefit, 2) possible significant benefit, and 3) significant benefit. Website is [www.udot.utah.gov/raisedmedians](http://www.udot.utah.gov/raisedmedians), contact email is [rasiedmedians@utah.gov](mailto:rasiedmedians@utah.gov). Note that adding medians creates U-turns, drainage issues, and snow removal issues. Also provides a refuge for pedestrians if properly designed. Assessment based on access, crashes, and operations. Tool also suggests public involvement process to build consensus. Sample access management agreements and landscape agreements. 40% reduction in severe crashes, improve traffic flow 30%, economic opportunity 35%.*

**5. Ogden City Project Report..... Daniel Gillies**

*Options for traffic calming. “YOUR SPEED” signs are approved as a traffic calming device but there are no warrants or guidelines for how they should be installed. Studies show they may reduce speed 1-5 mph, other studies inconclusive. Public response seems to welcome the feedback without the enforcement.*

**6. Other Business ..... Steve Anderson**

Thanks to Ogden City for providing refreshments.

**Next Meeting of Trans Com TAC – July 31, 2019 - Refreshments – Plain City**

## Attendance Roll

### Ogden – Layton Technical Advisory Committee

Date                     May 29, 2019                    

*Please check your name or add it to the list below and update your contact information if needed.*
