○ **Information – Schedule for the 2023-2028 TIP Process**

Projects will be reviewed in the field starting in February. At the February TAC meeting we will receive an overview of all submitted projects. At the March TAC meeting we will make funding recommendations as a committee.

3. UDOT Transportation Investment Fund (TIF) & Transit Transportation Investment Fund (TTIF) Process Update - Andrea Olson

Andrea shared ranked lists of TIF and TTIF projects and links to access this information. Projects require a 40% match.

Prioritization process: <https://www.udot.utah.gov/connect/about-us/commission/project-prioritization-process/>

4. Highway, Transit, and Active Transportation System Performance Report - Kip Billings

Kip gave a brief summary of highway, transit, and AT system performance. The Covid lock down of 2020 resulted in reduced highway traffic and reduced transit

use. Traffic volumes have returned to near pre=pandemic levels, while transit patronage has recovered some but remains about 40% below 2019 levels. AT usage increased significantly in 2020 and moderated somewhat in 2021, according to STRAVA data.

5. Active Transportation Facility Updates - Hugh Van Wagenen

Hugh presented a map of existing bicycle and pedestrian facilities and planned projects which is available at:

<https://uplan.maps.arcgis.com/apps/webappviewer/index.html?id=816dd46e7eba4b94b56da3940827e2b9>

Database includes details such as bike lanes on left or right side of the roadway as well as the features of the bike lane. Users can suggest changes to the active transportation map using the interactive website.

To make corrections to the map please use the AT Facility Change Request Form:

6. City Project Report/ Information - Farmington City

Chad Boshell – Farmington City report. In 2001, area west of I-15 was mostly rural. By 2009, residential development had filled much of the west, Legacy Highway and interchange was added, and a Front Runner station was created. Farmington Station shopping center was added by 2013. West Davis corridor is under construction in 2021 and several office space and higher density residential developments are underway. Farmington has 7 freeway interchanges in a small area. Farmington is the narrow neck in the highway hourglass.

7. Other Business - Boyd Davis

Next meeting February 23, 2022.
