

Ogden/ Layton Area Technical Advisory Committee (TAC)
March 29, 2023 10:00 AM
Meeting Minutes

1. **Action Item** – February 22nd Meeting Minutes - Boyd Davis

Motion – Jacob Smith, Centerville
Second – Dave Williams, Clinton
APPROVED

2. City Project Report/ Information - West Bountiful City

Kris Nilsen reported on the West Bountiful award-winning drinking water project. West Bountiful is 3.2 square miles with a population of 6,000. Water pipes were breaking at a rate of about 3-5 locations each week. Since replacing much of the old pipes, water line breaks have been reduced to 1-2 each month. West Bountiful now has sufficient water to meet demand and has received multiple awards for “Best Tasting Water”.

3. Transportation Improvement Program (TIP) Business - Ben Wuthrich

o Information – Board Modification to the 2023-2028 TIP

Ben Wuthrich explained the need for a modification to the TIP to move \$2.0M from a concept development year into the current funding year for corridor preservation for FrontRunner.

UTA – Frontrunner Right of Way Preservation – Corridor
Preservation - Project Type - Other

Weber County to Box Elder County Corridor Preservation
Project Update - December 2021

Project Overview

- Approved Amount Programmed \$2,000,000

The land around the corridor is rapidly developing. Preserving the right of way now will reduce the impacts and costs of a future transit project. Improved transit service is desired by residents in Box Elder County. Corridor preservation is included as a phase one project in the regional transportation plan.

Utah Idaho Central Railroad Corridor

- The Utah Idaho Central (UIC) Railroad corridor is an abandoned right of way which formerly provide train service between Ogden, Brigham City, Logan, and Idaho
- The UIC runs directly adjacent to Union Pacific's main line for about 2.75 miles (north of the Box Elder County line)
- UTA purchased of this portion of the UIC from UICOF

UTA – Frontrunner Right of Way Preservation – Corridor
Preservation - Project Type - Other

Property at approximately 400 North in Harrisville which would serve BDO and facilitate the construction of a new bridge or undercrossing on the property to connect 400 North to Wall Ave as identified in the Regional Transportation Plan (RTP)

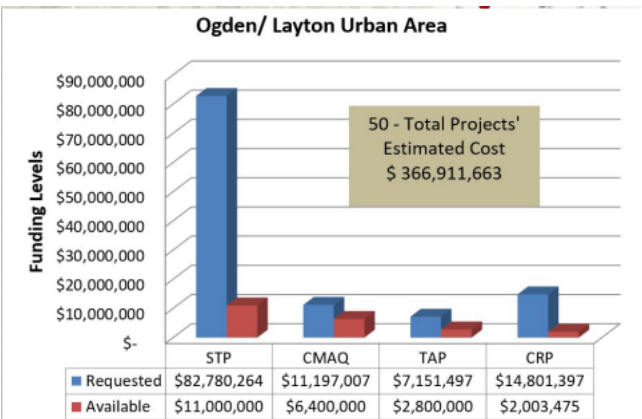

Motion – Steve Jackson, Layton

Second – Robert Whiteley, Syracuse

APPROVED

o Information Item – Review Schedule for the 2024-2029 TIP Process

This year’s TIP process reviewed 50 projects valued at \$366M for STP, CMAQ, CRP, or TAP funds. There is a total of about \$22M available from these programs. After recommendations are made at today’s meeting, there will also be a review by TransCom, Davis COG, and Weber COG. Final approval will be considered by WFRC at the **August 2023** Council meeting.

- o Action Item – Review and Recommend STP Projects

[List of STP proposed projects with WFRC staff recommendations.](#)

WFRC staff recommended STP funds for projects #1, 3, 4, 6, 9, 10, and 22.
