

Salt Lake/West Valley City Area Technical Advisory Committee
West Valley Cultural Center, 2:00 PM – 3:30 PM
May 30, 2018

1. Dan Johnson

Welcome

*Minutes of Mar 28, 2018 – **approved***

2. Marwan Farah, UDOT - Bangerter Highway report.

Study recommended 5400 S, 7000 S, 9000 S, 11400 S grade separated interchanges. Combined into single project in 2015.

5400 S is 250' long with 8' girders and required a 15-hour continuous concrete pour. Challenges with BOR aqueduct that runs parallel to Bangerter. New 5400 S. Bridge will open this June.

7000 S was finished October 2017 in just 6 months to reduce holiday shopping impact at Jordan Landing.

9000 S replaced "egg-a-bout". Currently 60,000 ADT on Bangerter, expected to grow to 100,000 ADT by 2040. When completed there will be non-stop traffic flow from 4700 S to 9800 S on Bangerter. This will reduce crashes, delay, and emissions.

Next up will be 10400 S and 12600 S grade separation.

3. Ben Wuthrich, WFRC – TIP Business

TIP Schedule. Trans Com June 14 to approve draft TIP for public review and comment. Public comment beginning June 30. Return to TAC in August. Trans Com will then make recommendation for final TIP.

4. Kip Billings – Air Quality Conformity

Memorandum 38a for the 2019-2024 TIP has been drafted and will be posted to the WFRC website near the end of June. The TIP is consistent with the projects and schedule in the 2040 RTP. Amendment #6 to the RTP was also subject to air quality conformity which is addressed in Air Quality Memorandum 38 which is currently out for public comment. AQ Memo 38 finds that the amended RTP conforms to state and federal air quality goals and regulations. AQ Memo 38a for the TIP finds that the TIP is consistent with the amended RTP. AQ Memo 38 and 38a are both subject to public review and federal approval.

5. Trevor Andrew, Bluffdale – Bluffdale City Project report.

Porter Rockwell, Segments 1-3 are complete. Segment 5 to begin by Fall 2018. Bridge across Jordan River will be last segment.

Other projects on 14400 S, 14600 S, and 14000 S including a bike lane on 14600 S.

6. Other Business

Corridor preservation requests due to Salt Lake County July 13th.

For future meetings the city or agency providing refreshments for the meeting will have the opportunity to report on transportation successes and challenges from their city. This will provide a forum for TAC members to share transportation solutions with their peers. Ben will provide a schedule for the cities providing refreshments and reports.

Next Meeting – August 1, 2018. Refreshments courtesy of Cottonwood Heights.

Attendance Roll

Salt Lake Technical Advisory Committee

Date May 30, 2018

Please check your name or add it to the list below and update your contact information if needed.
