

Salt Lake Technical Advisory Committee – Meeting Minutes

Wednesday, January 23, 2019 2:00 PM

West Valley Cultural Center, 1355 West 3100 South, West Valley City, Utah.

1. Action Item – August 1st & October 17th Meeting Summaries Alma Haskell
approved

2. Transportation Improvement Program (TIP) Business Ben Wuthrich

• Action – Board Modification for 2019-2024 TIP

Sandy request to realign 9270 S State Street by Rio Tinto Stadium. Cost was \$3.4M in 2016, now needs \$3.0M more for additional ROW. This is a large sum to add to an STP project. Sandy proposes to return funds to the Program from other qualified projects.- \$1.2M from Segoe Lily 10000 South and \$1.4M from 450 West 9000 South (CMAQ project) and to use STP funds for 9270 South. Requesting additional \$0.3M federal funds to this project to cover shortfall.

• Information – Project Evaluation Concept Reports Received

Some concept reports may be missing. Please contact Ben if your projects have not been included.

• Information –Schedule for the 2020-2025 TIP Process

Evaluation process has begun.

February – TAC meeting to present details and description of each submitted project.

March – field reviews, then TAC meeting to make final recommendations.

April, May - Final selection made by Council with review and input from COGs and recommendations from Trans Com.

3. Information Item –Sponsor Project Report Herriman City

Gina Road – the Unpaved Road Paradox.

Some residents want improvements, others want to leave the road as is and not encourage more development. Growth has filled much of area surrounding formerly rural Gina Road. Reality of growth is becoming apparent so there may be a resolution in the future.

4. Resource Presentation – Census Update Scott Festin

Video of 10-year data collection effort leading to 2020 Census. Utah is growing and aging. Federal assistance to Utah is a function of census data. Citizenship question is in litigation. Complete Count committees are organized to reach hard to count populations. Returning Census data form improves data collection process and reduces cost of contacting people one by one to recover non-reported information.

2010 Utah response rate was 75%. Federal assistance for Medicare and Medicaid equivalent to \$533 per year could be lost for every person in Utah not counted.

5. Information Item – Wasatch Choice 2050 and 2019-2050 RTP UpdateHugh Van Wagenen

Our Future = Regional Transportation → Economic Development → Land Use

RTP looks at growth trends and land use to shape future development. RTP considers all modes - highways, transit, shared transportation, bicycles, and pedestrian travel - and how these modes are coordinated with each other and integrated with land use. Projects are prioritized by needs and cost benefit. A preferred scenario is identified. Projects are then prioritized by implementation Phase 1, 2, or 3 (2030, 2040, and 2050).

Various scenarios evaluated based on 10 performance measures such as air quality, congestion, safety, economic benefit, access and others. A new 2050 RTP will be approved this year. Seven public meetings were held to consider input from citizens and community leaders as well as meetings with specific stakeholders.

6. Other Business Alma Haskell

- **Thanks to Herriman for refreshments**

Next Meeting of Trans Com TAC – February 27, 2019 - Refreshments – Holladay

Attendance Roll

Salt Lake Technical Advisory Committee

Date January 23, 2019

Please check your name or add it to the list below and update your contact information if needed.
