• Board Modification

The City of Bluffdale requests that \$650,000 of additional funding be provided to cover construction cost overruns (change orders) to complete Porter Rockwell Blvd (5th Segment).

The City, recognizing the need to offset this cost request, is rescinding the 14600 South and Redwood Road High-Tee Intersection project – PIN 16926, approved for \$550,000 of Urban Surface Transportation Program funds (STP) by WFRC, with the intent to use the City's own funds to complete the High-Tee Intersection project.

approved

UTA requests a project scope change to the University of Utah Hospital Stop Expansion project (PIN 16932) and advance funds from CD to a funded year.

This project was selected to receive \$372,361 in STP_URB_SL funds for 2023. The U of U is proposing to move bus layovers from the current Hospital Loop location to the Union Building. The previously approved funds would be applied to the project at the new location.
