**Minutes**

**1. Action Item – May 26th Meeting Minutes ..... John Miller**

*Motion - Trae Stokes*

*Second - Bill Baranowski*

**Approved**

**2. Transportation Improvement Program (TIP) Business, Ben Wuthrich**

**a. Action – Board Modification for the 2021-2026 TIP**

**i. PIN 14923 – Murray – Vine Street; 1300 East to Van Winkle Expressway**

*Due to a culmination of several factors including market changes, escalating material, labor, and construction costs, the Murray Vine Street project is estimated to cost \$6,209,850, leaving a funding shortfall of \$1,033,050. Murray is requesting an additional \$650,000 in Urban Surface Transportation Program Funds (STP) with the remaining funds being covered by City resources.*

**ii. PIN 12000 – Cottonwood Heights – Bengal Blvd & 2300 East Round-about**

*Construction costs were 33% higher than estimated. Project will be re-bid in the fall. An additional cost of \$925,122 is the anticipated need. Cottonwood Heights is requesting an additional \$862,492 in Urban Surface Transportation Program Funds (STP) with the remaining funds being covered by City resources.*

**iii. PIN 11085 – Kearns/ West Valley – 4700 South; 4000 West to 5600 West**

*To keep the project moving forward, Kearns Metro Township and West Valley City would like to make the following three requests: 1 - Reduce the western limit of the project from 5600 West to 5450 West to address the railroad and roadway improvements in a separate project using Local Government funds as soon as the necessary agreements are in place with*

*UPRR. 2 - Remove the Utah and Salt Lake Canal work (on the eastside of the project) and advertise an early package to have the canal work begin this fall, and 3 - Add an additional \$7,530,000 of Local Government funds to the project to address increases in material and labor costs and ROW price escalations.*

*Motion - Michael Fazio*

*Second - Mayor Robert Hale*

**Approved**

## Process for New Projects & The Draft TIP

**ii. Program Discussion**

*Ben reviewed the different funding sources: STP, CMAQ, TAP, TLC, CDBG, and WFEDD. A packet explaining each funding source and the TIP process will be sent to TAC members and each municipality.*

**3. Herriman City Project Report ..... Herriman City**  
*Bryce Terry reported on the 13400 South restriping project which was a joint effort with Riverton City. The existing road was 5 lanes with 9.5' shoulders, and 7 lanes on the east end. Excessive delay was found at the Mountain View Corridor intersection. Plan was to use wide shoulders and restripe to create a consistent 7-lane cross section. Most work was done at night to minimize traffic conflicts. Public education process to inform motorists of the changes to the shoulders and signals. Bike lanes were moved to an alternative route with lower vehicle volumes. Bryce will inform Toby Lowry of Salt Lake County about the bike route changes to keep the county bike information current.*

**4. Discussion Item - 2023-2050 RTP local community project ideas ... WFRC LRP Group**

*Jory Johner and Julie Bjornstad of WFRC explained the RTP process which is the transportation component of the Wasatch Choice 2050 Vision. The LRP team is exploring the effects of external forces such as transportation automation, shared mobility, and e-commerce. A draft preferred scenario will be shared with the public this fall. TAC members are invited to comment on the RTP by August 6 using the interactive map found at this link.*
