

Salt Lake/West Valley Area Trans Com Technical Advisory Committee

Wednesday, October 14, 2020, at 2:00 PM
teleconference meeting

MEETING MINUTES

1. Action Item – July 29th Meeting Minutes Greg Davenport

Motion – Dan Johnson, Second – Dave Murphy APPROVED

2. Transportation Improvement Program (TIP) Business Ben Wuthrich

- **Review – List of “Letters of Intent” Received**

Ben shared a list of letters of intent for projects seeking support from the various funding programs. Committee members are encouraged to review the list to verify that their project has been recognized. Ben noted that some anticipated projects are missing from the list and a letter of intent for those projects should be submitted immediately.

- **Information – Schedule for the 2022-2027 TIP Process**

Concept reports for submitted projects are due by the middle of December. Ben reviewed the remainder of the TIP schedule for 2021.

3. Information Item – UTA TDM Annual Report Michael Goldman

The goal of the Utah Transit Authority (UTA) Rideshare is to reduce single-occupant vehicle travel. Rideshare programs include carpools, vanpools, Ride-Van-Plus, telework promotion, and alternate work schedule promotion.

In 2019 Rideshare programs reduced vehicle miles traveled (VMT) by 9.7 million miles and emissions by 4,700 tons.

The 2020 coronavirus has had a significant impact on vanpool participation due to more people working from home, apprehension about riding in close proximity to others, and employer health restrictions about multiple occupant vehicles. The number of vanpools dropped from 427 in January to 271 in May, then recovered somewhat to 328 in August.

4. Information Item – ATMS Annual Report Tyler Laing

Advanced Traffic Management Systems (ATMS) and Intelligent Transportation Systems (ITS) will now be known collectively as ITS.

During the coronavirus impacts freeway traffic was 63% of 2019 volumes in March but had rebounded to 93% by October. Arterial traffic is at 90% of 2019 traffic. Peak traffic at this reduced volume is nearly at free flow conditions, so ramp meters have been turned off in many locations.

Metro area fiber projects have been advanced with CMAQ funds programmed for ITS improvements.

5. City Project Report/ Information – West Jordan Dave Murphy

Dave reported on three projects in West Jordan: 5600 West from 8600 South to 7800 South; the 7800 south 1300 West intersection; and the Gardner Village TRAX Trail Connection. The Trail project was completed at a cost of \$0.5M. Utility coordination proved to be an obstacle leading to a delay of two months. In retrospect, including UTA as a co-sponsor of the project could have reduced those delays.

6. Information Item – Significance of ATO and Regional Data Bert Granberg

For planning purposes, WFRC measures Access to Opportunities in terms of ease of accessibility which is a combination of mobility (speed) and proximity (distance). Bert illustrated this mapping data with the Layton Midtown Crossing project. Access to key destinations such as grocery stores, shopping, and services can also be analyzed and mapped.

7. Proposed 2021 TAC Schedule Ben Wuthrich

Ben shared the proposed schedule for 2021 TAC meetings as follows:

January 27

February 24

March 31

April – no meeting

May 26

June – no meeting

July 28

August – no meeting

September – no meeting

October 13

November – no meeting

December – no meeting

Motion – Trace Robinson

Second – Dave Murphy

APPROVED

8. Action Item – Vote on Vice Chair Greg Davenport

Becka Roof of Salt Lake City was nominated by Greg Davenport as the next Vice-Chair. Alma Haskell seconded the nomination. The nominations were closed.

Becka Roof was approved by unanimous vote as the next Vice Chair.

9. Other Business Greg Davenport

Wayne Bennion informed the Committee that UDOT’s request for project nominations for Transportation Investment Fund and Transit TIF funds will likely be made in coming weeks.

Next Meeting of Trans Com TAC – January 27, 2021 - Refreshments –West Valley City
(If we meet)
