a. Information Item – Review Schedule for the 2023-2028 TIP Process

Ben reviewed progress to date for the TIP project selection cycle. Field reviews were completed last month with site visits and virtual reviews of over 2 days covering 58 projects with an estimated cost of \$537M.

b. Action – Review and Recommend STP Projects

Ben shared photos and summaries of each STP project that was proposed which can be seen at the link below.

<https://docs.google.com/presentation/d/1Nc5X3Kh6TTggP5dBr1Z2zSLEBBmlrrqS/edit?usp=sharing&oid=114697863616315776198&rtpof=true&sd=true>

From the list of STP projects here,

<https://drive.google.com/file/d/1ehCIE5HeSUYYeP70Db89pn9CpfiKpucJ/view?usp=sharing>

WFRC staff recommended funds for the following projects based on project evaluation, field reviews, and other professional considerations.

#1 - 900 West Reconstruction	\$3.0M
#2 - 1300 East: 3300 South to 3600 South	\$3.5M
#3 - 4000 W / South Jordan Parkway Intersection Improvements	\$3.0M
#5 - 7200 West Widening and Reconstruction	\$4.5M
#9 - 5600 South Reconstruction	\$4.9M
#11 - Tuscany View Road Extension	\$3.4M
#14 - Utah and Salt Lake Canal Bridge Replacement - 4015 West	\$1.7M
#16 - Midvalley Connector - Bus Lanes	\$2.0M
#19 - 1300 West: 6600 S - 9400 S	\$2.0M
#21 - SR-71; 2100 S to 1300 S Shared Use Path	\$1.5M
#27 - 2700 S & 8000 W Intersection Realignment	\$2.0M

These STP funding recommendations total about \$31.4M.

Several of these projects were recommended for funds less than what was requested with the intent that the project sponsors identify additional funding resources to make up the difference. (i.e. other local funds, 3rd quarter, etc.).

After an initial motion, a substitute motion was made (due to information that project #14 may have received funding from the 2022 legislative season). The substitute motion was to approve the WFRC staff recommended projects with the exception of project #14, and to distribute funds suggested for #14 if indeed it had been funded, to the remaining projects that were partially funded.

The substitute motion would look as follows:

#1 - 900 West Reconstruction	\$3.22M
#2 - 1300 East: 3300 South to 3600 South	\$3.72M
#3 - 4000 W / South Jordan Parkway Intersection Improvements	\$3.22M
#5 - 7200 West Widening and Reconstruction	\$4.72M
#9 - 5600 South Reconstruction	\$5.07M
#11 - Tuscany View Road Extension	\$3.57M
#16 - Midvalley Connector - Bus Lanes	\$2.22M
#19 - 1300 West: 6600 S - 9400 S	\$2.00M
#21 - SR-71; 2100 S to 1300 S Shared Use Path	\$1.50M

#27 - 2700 S & 8000 W Intersection Realignment \$2.22M

Motion - Dennis Pay, South Salt Lake
Second - Chris Norlem, Salt Lake City

APPROVED

c. Action – Review and Recommend CMAQ Projects

Ben shared photos and summaries of each CMAQ project that was proposed which can be seen at the link below.

https://docs.google.com/presentation/d/1pjpgeqRdmzcOOOfMuK_XkPUb5dshdiGU_/edit?usp=sharing&ouid=114697863616315776198&rtpof=true&sd=true

Kip Billings of WFRC then presented the WFRC staff recommendation for CMAQ funds. CMAQ projects are ranked based on the benefit/cost ratio of the emissions reduced by the project, although other considerations such as safety, congestion, and other relevant professional considerations are also considered in the selection process.

Before asking for a motion, it was noted that the requested amount for the Sandy/Draper intersection project was incorrectly recorded as \$444,444 instead of the intended \$2,614,449. This correction was made and the project rankings were re-evaluated. Sandy and Draper suggested that their intersection project be withdrawn and resubmitted next year. The TAC members recommended the \$444,444 intended for the Sandy/Draper intersection be programmed for the Green Bike expansion in Salt Lake City. The PDF document below shows the initial staff recommendation and the changes discussed above.

<https://drive.google.com/file/d/1Pnsq82QBSdYlmeBmtPxnoTloq-jWQHzQ/view?usp=sharing>

After these changes, the TAC recommended projects for CMAQ funds from the yellow highlighted column in the above document are as follows:

#1 - Salt Lake City 200 South HUB -	\$0.9M
#3 - West Jordan Roundabout -	\$1.4M
#4 - Riverton Ped/Bike Path -	\$1.3M
#5 - Salt Lake City Green Bike -	\$0.4M
#9 - UTA Midvalley HUB at SLCC -	\$2.3M

These CMAQ funding recommendations total about \$6.3M.

Motion - Alma Haskell, UTA
Second - John Miller, Millcreek

APPROVED
