draft Meeting Minutes

[\[Meeting recording is available.\]](#)

1. **Action Item – February 28th Meeting Minutes** - Ben White

- a. Motion – Alma Haskell, UTA
- b. Second – Shane Ellis, Salt Lake Co.

APPROVED

2. **Information:** County Funding Programs

- a. **Salt Lake County** David Rogers/Helen Peters

David and Helen reminded Committee members of the Corridor Preservation funds that are available. Also noted was HB-488 which allocated some funds to cities. An explanation of the 3rd Quarter sales tax and the funds available for transportation projects followed.

Funds from vehicle registration fees are also available. From the added \$10 registration fee, \$2 is for the County and \$3 for cities. Cities can be reimbursed by the County for ROW acquisition. Cities are encouraged to apply for reimbursement at the time of purchase, but reimbursement is also possible if the County is notified after the purchase.

3. **Transportation Improvement Program (TIP) Business** Ben Wuthrich

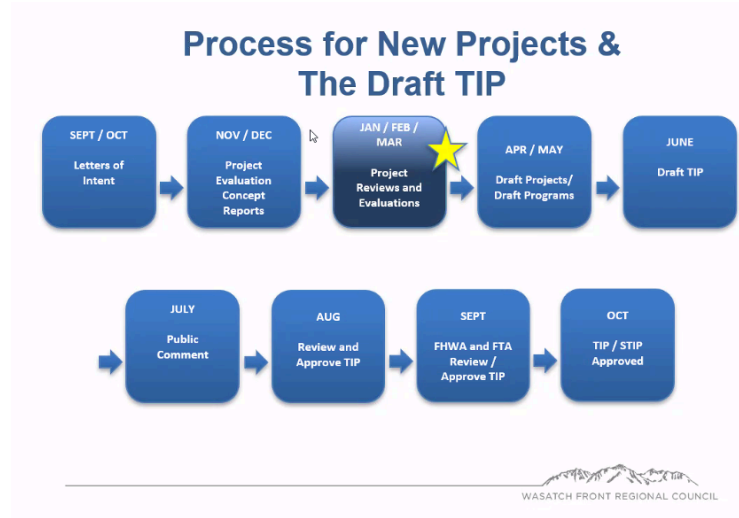

- a. Action: Riverton City modification to the 2024-2029 TIP, PIN 14940, 13400 South bike lanes from 2700 W to 3200 W. The original cost estimate was \$280K in 2016, but due to inflation, an additional \$1.25M is needed, with \$650K from the city and a request for an additional \$600K from STP funds.

Motion Mike Fazio, Bluffdale
Second Coby Wilson, West Valley City

APPROVED

- b. **Information:** Review Schedule for the 2025-2030 TIP Process

Ben reviewed the TIP schedule as shown below. Field reviews, comments, and staff evaluations are completed.

The number of projects proposed, amount requested, and amount available for each of the four funding programs is illustrated below.

Funding Source	Projects	Funds Requested	Funds Available
STP	30	\$139.8M	\$24.4M
CMAQ	11	\$36.5M	\$7.0M
TAP	10	\$17.4M	\$2.6M
CRP	7	\$15.3M	\$2.5M

c. **Action:** Review and Recommend STP Projects

Ben reviewed STP, TAP, CMAQ, and CRP projects that were submitted. A detailed list of projects by funding source can be found at the following links: [STP](#), [TAP](#), [CMAQ](#), [CRP](#).

- #1 - \$3.5M - 1300 East; 2100 South to Southern City Boundary (Salt Lake)
- #2 - \$1.5M - 2000 East; 3300 South to East Atkin Ave (Millcreek)
- #3 - \$2.5M - 5600 South; 900 East to 1300 East (Murray)
- #7 - \$2.0M - 3900 South; Redwood Road to Jordan River Bridge (West Valley)
- #8 - \$1.4M - 1300 West; 13100 South to 13700 South (Riverton)
- #10 - \$2.2M - 2700 South 8000 West Intersection (Magna)
- #12 - \$2.0M - 7200 West; 4100 South to 3900 South (West Valley/ Magna)
- #13 - \$2.7M - 6400 West; 12600 South to 12100 South (Herriman)
- #14 - \$1.5M - 8000 West; 2502 South to 3100 South (Magna)
- #15 - \$3.0M - Pioneer Road; 1650 East to Highland Drive (Draper)
- #16 - \$2.0M - TechLink TRAX Design; SL International Airport to UofU (UTA)
- #28 - \$0.08M - 1300 East Galaxie Drive Intersection (Salt Lake Co/ Sandy)

In discussions with entities about partial funding of the requested amount, these entities had indicated to WFRC staff that they would welcome any financial

assistance with the project and they would be able to scale the project to meet the available funds or they would pursue supplemental funding sources. Some of the projects had partial federal funding programmed previously and were seeking additional funding.

Motion – Michael Fazio, Bluffdale

Second – Coby Wilson, West Valley City

APPROVED

d. **Action:** Review and Recommend TAP Projects

Hugh Van Wagenen presented the staff recommendation for [TAP](#) funds which were numbered by project score, highest to lowest.

#71 - \$745,000 - 1300 West Bike Lanes; 4000 South to 3300 South (West Valley)

#66 - \$277,288 - Larkspur Drive; 700 East to Carnation Drive (White City)

#62 - \$376,267 - 3776 South 2700 Est Crosswalk Enhancement (Millcreek)

#56 - \$740,000 - 2700 East Pedestrian Improvements (Holladay)

#43 - \$459,810 - BikeShare Capital Care Improvements (Salt Lake)

There was a motion to accept the staff recommendation for TAP funding with one modification that the limits of the Holladay project on 2700 E be extended without changing the funding amount recommended.

Motion – Jared Seeley, Holladay

Second – Bill Baranowski, Salt Lake City

APPROVED

e. **Action:** Review and Recommend CMAQ Projects

Kip Billings presented the staff recommendation for [CMAQ](#) and [CRP](#) funds which were numbered by project rank based on the emission reduction benefit/cost score. The CMAQ and CRP recommendations were presented as a package because a number of projects were seeking funds from both programs.

Staff recommendation of CMAQ projects:

#4 - \$1.45M - Jordan River Trail Connector; Jordan River to 500 W (So Jordan)

#5 - \$2.3M - 11400 South 1300 East Intersection (Sandy)

#6 - \$1.5M - 12300 South; SB 1-15 Offramp to Lone Peak Parkway (UDOT)

#7 - \$1.0M - Davis-SLC Community Connector; SL to Davis Co (UTA)

#8 - \$0.762M - Sunnyside Ave Crestview Drive Round-about (Salt Lake)

Staff recommendation of CRP projects:

#1 - \$1.1M - 11400 South 1300 East Intersection (Sandy)

- #2 - \$1.0M - 12300 South; SB 1-15 Offramp to Lone Peak Parkway (UDOT)
- #3 - \$0.385M - Electric Vehicle Charging Stations at City Complex (Riverton)

There was a motion to modify the staff recommendation to remove the #5 CMAQ and #1 CRP project in Sandy in favor of the #10 CMAQ and #8 CRP project - 11000 South 1000 East Round-about in Sandy at \$2.1M and \$1.1M which was a higher priority for the city and included safety benefits to pedestrians and traffic from Alta High School.

Motion – Britney Ward, Sandy
Second – Eric Wendell, Riverton

APPROVED

4. Other Business

Ben White

- a. Next Meeting: May 29, 2024
 - i. City Presentation and Meeting Refreshments - Draper City
- b. Wayne Bennion mentioned that the Safe Streets for All 2024 Notice of Funding Opportunity (NOFO) was announced recently with deadlines of April 4, May 16, and August 29 depending on the type of project requesting funds.
