

WASATCH FRONT REGIONAL COUNCIL

2020 RATING AND RANKING CRITERIA - GENERAL POLICIES

The Wasatch Front Regional Council (WFRC) staff assists applicants through the CDBG process. Applicants are encouraged to take advantage of this service to help reduce administrative costs. Contact Christy Dahlberg at christy@wfrc.org or 801-363-4250 with questions.

FUNDING INFORMATION

- 1 Minimum grant amount is \$30,000 per year.
- 2 The maximum multiple-year grant amount is \$200,000 per year, up to two years (amount may change based on funding appropriation). All applicants proposing projects requiring two years of funding must have a cost estimate and/or breakdown for each year. If a project has been awarded a two-year grant, the second year's grant amount will be taken from the region's appropriation at the beginning of that year's rating and ranking process.
- 3 The maximum grant amount per year for community infrastructure projects is \$250,000. Community infrastructure projects can include water, sewer, street, sidewalk, curb, and gutter projects.
- 4 A single entity may not receive more than \$250,000 in one funding cycle. Multiple projects may be awarded to a single entity in one funding cycle, so long as they do not exceed \$250,000. An exception will be made if there is more funding available after all eligible projects have been funded.
- 5 After fully funding all projects in ranked order, any remaining funds shall be awarded to the next ranked project if it is determined that partial funding is a reasonable option. If partial funding is not an option, then the next ranked project shall be reviewed and funded if possible and so on. Should there be more funding available once all eligible projects are fully funded, up to \$20,000 can be used to study the feasibility of a Revolving Loan Fund (RLF).
- 6 In compliance with the policies of the State of Utah CDBG program, and to be eligible for funding, all grantees or sub grantees must have drawn down at least 50% of any prior year's CDBG funding before the RRC's rating and ranking meeting.

APPLICANT INFORMATION

- 7 All applicants are required to attend the region's annual "How to Apply" workshop. The project manager should attend the workshop. If the project manager cannot attend, he or she needs to identify an alternate representative. If sponsorship is required, representatives from the sponsoring city or county and the sub-recipient must also attend. See number 8 to determine if you need a sponsor.
- 8 Only cities and counties are eligible to receive CDBG funding. Applicants, other than cities or counties, are required to gain the sponsorship of a city or county no later than the date of the first public hearing. The decision to sponsor non-governmental entities is entirely up to the city or county. Sponsoring entities are required to ensure all program requirements are met including, attending the How to Apply workshop, ensure that the project is viable, and provide active oversight of the project and contract performance. Sponsors are also required to ensure that the project is part of the Consolidated Plan and that a subcontractor's agreement is mutually agreed on and signed by both entities.

PROJECT INFORMATION

- 9 Public service providers are encouraged to apply for capital improvement projects and/or major equipment purchases. Examples include delivery trucks and other public service vehicles, fixtures, computer equipment, construction, remodeling, and facility expansion. State policy prohibits the use of CDBG funds for operating and maintenance expenses including administrative costs or salaries and items that can be easily removed from the building such as office supplies, cleaning supplies, etc. No more than 15% of the state's yearly allocation of funds may be expended for public service projects.
- 10 Projects must be consistent with the region's Consolidated Plan and included in a city or county prioritized capital investment list and meet the overall goals identified in the Plan.
- 11 Emergency projects may be considered by the RRC at any time. An emergency project is one that eliminates or mitigates an imminent threat to health and safety. These projects must meet all CDBG requirements. Applicants must work closely with WFRC staff to ensure program compliance. Emergency projects will be reviewed by the RRC to ensure that a regional goal listed in the Consolidated Plan will be met. Emergency

	projects must be approved by the statewide CDBG Policy Committee. Any funding awarded for emergency projects will be deducted from the subsequent year's annual regional allocation.
12	WFRC staff will visit each applicant on site for a project evaluation/review.
13	The RRC may approve regional CDBG set-asides under the following conditions: 1) they are consistent with the region's Consolidated Plan; 2) they are approved prior to the "How to Apply" workshop.
RATING AND RANKING INFORMATION	
14	In order to receive points for any of the evaluation criteria, applicants must state and include the necessary information as an attachment in WebGrants. The RRC reserves the right to eliminate incomplete applications.
15	WFRC staff preliminarily evaluate all applications using these criteria. The pre-evaluation will be shared with the RRC who makes the final rating and ranking and funding recommendations to the Housing and Community Development Division.
16	In the event that two or more projects receive the same rating and ranking score, the RRC will rank them using the regional priorities identified in Criterion 10. If there is still a tie score, the applicant with the highest percentage of other matching funds shall prevail.
17	Prior to adoption, these Criteria shall be publicly noticed and made available for a 30-day public comment period and public open house.
REGIONAL REVIEW COMMITTEE (RRC) INFORMATION	
18	The members of the RRC are listed below along with their respective appointed terms. The RRC consists of six members, two from each of the three counties plus one staff member from WFRC. Each County Council of Governments appoints one elected official and one staff person to represent their county on the RRC. Each member serves a two-year term with no limit upon succession.
