

TRANSPORTATION AND LAND USE CONNECTION

Transportation and Land Use Connection Program Application

Completion Instructions: Provide detailed information in all light blue shaded cells and include attachment(s).

Submission Instructions: Submit all information in an electronic copy emailed to Megan Townsend, mtownsend@wfrc.org.

Please keep this application in the Excel format, and submit attachments (below) in any file format. Note that cells are restricted by character maximums; the cells will not allow you to exceed character limits. Typing text first in Word then pasting into cells will help prevent loss of work.

- Attachments:**
- Required: Signed letter of support from the applicant's Mayor/Commissioner
 - Required: Site/Project Area Map
 - Optional: Letters of support from interested parties or entities

General Program Information	Selection Criteria
-----------------------------	--------------------

<p>1. Primary Contact Information</p> <p>Applicant (Local Government) <input style="width: 100%;" type="text"/></p> <p>Primary Point of Contact <input style="width: 100%;" type="text"/></p> <p>Department <input style="width: 100%;" type="text"/></p> <p>Phone Number <input style="width: 100%;" type="text"/></p> <p>Address <input style="width: 100%;" type="text"/></p> <p>Email <input style="width: 100%;" type="text"/></p> <p>County <input style="width: 100%;" type="text"/></p>	<p style="color: red; font-weight: bold; margin-top: 0;">Fill in ONLY if applying jointly</p> <p>Joint Applicant(s) (Local Government) <input style="width: 100%;" type="text"/></p> <p>Additional Contact(s) <input style="width: 100%;" type="text"/></p> <p>Department(s) <input style="width: 100%;" type="text"/></p> <p>Phone Number(s) <input style="width: 100%;" type="text"/></p> <p>Address(es) <input style="width: 100%;" type="text"/></p> <p>Email(s) <input style="width: 100%;" type="text"/></p> <p>County(ies) <input style="width: 100%;" type="text"/></p>
--	---

2. Project Cost and Community Contribution

Total Estimated Project Cost

TLC Funding Request

Local Financial Match

*A minimum of 6.77% required. Applicant match percentage will be evaluated based on jurisdictional size

Note: There is a minimum expectation that local government representatives are responsive to WFRC staff, participate and help to coordinate all project meetings, fulfill local government obligations in consultant advertisement and selection, accomplish necessary public noticing, and guide the project to a product that is to awarded community's satisfaction within scope limits, and ultimately support the adoption process if eligible. Communities may contribute more if desired, described below.

Describe anticipated roles for your community's staff throughout the project in terms of tasks in the space provided.

3. Project Information

Project Name

Project Site Boundaries (be as specific as possible)

Project Type

*Project type examples: small area plan, zoning ordinance, open space plan, study or analysis, training, active transportation plan, first last mile implementation, etc.

Describe project objectives. (limit 3600 characters)

List final products and project deliverables in the space provided.

Explain how you will take the project through to implementation. (limit 1200 characters)

4. Alignment with Program Goals and Wasatch Choice Vision

Explain how the project relates to the Wasatch Choice Vision goals, and in what ways land use planning will be coordinated with transportation planning. (limit 1200 characters)

[Link to Wasatch Choice goals](#)

Note: The following questions relate to the TLC goals.

[Link to TLC Program goals.](#)

How does the project utilize existing or planned infrastructure (transportation and other infrastructure)? (limit 1200 characters)

How does the project enhance access to opportunity, such as providing better connection to key destinations? (limit 1200 characters)

Does the project address transportation mode share or travel options, or enhance street connectivity? If so, how? (limit 1200 characters)

How does the project affect land use, such as housing mix, land use mix, intensity, etc.? (limit 1200 characters)

For scoping purposes, does this project involve any of the Wasatch Choice Toolbox or other regional/national tools? (limit 1200 characters)

[Link to a sampling of applicable tools.](#)

5. Regional Collaboration

Explain collaboration with other regional/local entities such as local governments, agencies, non-profits, or other organizations. (limit 1200 characters)

Optional: attach supporting documentation demonstrating project collaboration

Questions: Contact Megan Townsend, mtownsend@wfr.org
