The Wasatch Choice 2050 Vision is our communities’ shared vision for transportation investments, development patterns, and economic opportunities. The Vision map and key strategies show how advancing the Vision can enhance quality of life even as we grow.

**Key Strategies**

- Transportation choices
- Support housing options
- Link economic development with transportation and housing decisions

**Benefits of the Vision**

Implementing the Wasatch Choice 2050 Vision promotes high quality of life now and for generations to come.

- Livable and healthy communities
- Access to economic and educational opportunities
- Manageable and reliable traffic conditions
- Quality transportation choices
- Safe, user-friendly streets
- Clean air
- Housing choices and affordable living expenses
- Fiscally responsible communities and infrastructure
- Sustainable environment
- Ample open space and recreational opportunities

**Regional Land Uses**

A thriving region requires great places, from a bustling metropolitan center to quiet open spaces.

**Transportation Modes**

As our region continues to grow, we need choices for how to move around.

**Partners of the Vision**

The Wasatch Choice 2050 Vision is built on community values and public input, shaping the desired future for the region. The following organizations facilitated this process:

- Wasatch Front Regional Council
- Mountainland Association of Governments
- Chambers of Commerce
- Envision Utah
- Kem C. Gardner Policy Institute
- Metropolitan Research Center at The University of Utah
- Utah Association of Counties
- Utah Department of Transportation
- Utah League of Cities and Towns
- Utah Transit Authority
